Daly City Record

The DALY CITY RECORD and Daly City SHOPPING NEWS Reach 45,000 People Every Week in Daly City, Colma, Broadmoor, Garden Village, Buri-Buri, Southwood and San Francisco.

PUBLISHED THURSDAY | DALY CITY, SAN MATEO COUNTY, CALIFORNIA, THURSDAY, AUGUST 4, 1949 | VOLUME 46, NUMBER 27

DALY CITY BOWLING CHAMPIONS

This is the third consecutive year these members of the Colma-Vista Grande, FOE, bowling team have won the gold trophy as the best pin breakers in Daly City. The group amassed the grand total of 31 wins against 11 losses to finish five games in front. They also boast of a 997 high single and a 2739 series. League president Stan Hannah, left, conveys the award to the winning combination, left to right: Dell Fehl, Julie Selmi, Nate Pearlman, Guido Lazzari, Richard Crane.

MAYOR TO PARLEY WITH STATE ON FATE OF SCHOOL BUILDING

In a last ditch effort to save Woodrow Wilson school, Mayor Paul Green will meet with a state department of education official some time next week.

Final decision on the disposition of the school building was postponed last Thursday by the Jefferson Elementary school board. Pending a meeting between Mayor Green and Edgar Parsons, state field representative, no decision will be reached.

Earlier, in a letter to the school board, Parsons recommended that the old Woodrow Wilson building was unsafe, and plans should proceed to tear down the structure for additional playground space.

The city is trying to get the building for local and county office use. It has agreed to "purchase" the structure for 11,000 square feet of playground.

Mayor Green said this week he does not believe the state department has a "good picture of the situation."

"The building is perfectly safe, and with about $15,000 in repairs it could be made earthquake proof. I believe if Mr. Parsons realizes this situation he will agree to let the building stand," Mayor Green said.

Principal objection of the state seems to be that in case of earthquake the building might endanger children playing in the immediate vicinity. However, Mayor Green believes something can be "worked out" to counteract this possible danger.

Failing To Take, Burglars Donate

Faint-hearted burglars did a reverse of the usual routine Sunday morning and left, instead of took, some valuable tools at a Daly City concern.

The thugs worked up a sweat breaking into Shaws Candy Store, Garden lane and Junipero Serra boulevard, but were frightened away before they could take a thing, police report.

Shisels, wrecking bars, screwdrivers and several other items are begging for owners today. Police asserted they were doing everything in their power to return same to the unidentified thieves.

In order to gain entry to the concern, the thieves went through the following gymnastics: climbed to attic of old King's Market building, walked rafters until over rear of candy store, cut 13-inch-diameter hole through store roof, found trapdoor, gave up hole as bad deal, climbed onto storage shelf in rear of store, down ladder into store.

There they unscrewed the night light, it was about 3:20 a.m., and dug out tools. About that time police were sounding sirens in an effort to catch up with the robbers of the Stumble Inn (reported elsewhere in Daly City Record). It is believed the sound of the sirens cut short the thugs' night work.

HITCH HIKERS HOIST HUMANITARIAN'S CAR

Carless but wiser today is a Montara man who early Monday morning picked up two hitchhikers on Alemany and Junipero Serra boulevard.

Right, the two unidentified pavement pounders turned out to be expert thugs. A moment after Arthur T. Cove, Box 215, Montara, opened the door of his car for the men, they issued him out the other side.

Coming into the Daly City police department, Cove reported the men not only got away with his car, but also $22 in an envelope he had hidden under the front seat cushion.

Daly City police turned the matter over to the San Francisco police department, as the incident occurred in the latter's bailiwick.

Bike Bucks, Man, Boy In Hospital

Losing control of his skooter-bike, a Daly City man and an 11-year-old boy sustained severe injuries Sunday.

Recovering from a fractured left arm and cuts today is Herman Peltz, 11, 246 Whittier. The driver of the bike, E. J. Pennington, same address, sustained multiple lacerations about his face and arm.

The accident occurred on Crocker avenue near Scenic way at 2 p.m., when the bike the two were riding skidded on a patch of gravel.

Both were taken to Junipero Serra hospital in the city ambulance. Following treatment, Peltz was sent home, but Pennington was still recovering at the hospital Monday.

Man Forgets To Lock Car So Thief Gets Pair Of Sun Glasses

In the market for a pair of sun glasses today is a Daly City man who Sunday night forgot to lock his car.

Romes A. Bianchi, 260 Winchester, came back to his auto Sunday night to find some burglar had gone through the glove compartment, removing a pair of sun glasses, a torpedo flashlight and a carton of cigarettes.

The car had been left, unlocked, behind the Daly City Bank of America, police said.

Thief Cracks Open Soft Drink Machine For $6

Working for the Yankee dollar, an unidentified culprit broke open a soft drink machine Sunday.

The venture was somewhat successful, as the machine cracker got away with $6 in nickels from the box at 88th and Junipero Serra boulevard. Police say he broke into the dispenser Sunday night, using an iron bar to pry off one of the panels.

CONTROVERSY WAGES, IS PARK GREEN OR IS "GREEN" BODIEN

What's in a name?

Plenty reply some of the dignitaries of city hall now "debating" on a name for a one-half-acre park at Niantic and Citrus.

The pocket-sized green, shadowed by the back of the city garage, is almost completed. A. J. Bodien, superintendent of water, blushingly reported the area was named "Bodien Park."

Not so, countered Mayor Paul Green.

"I am willing to lend my name to this spot of invaluable Daly City property," Green said.

The water superintendent fired back that the Mayor could not name land already bearing a worthy title, namely "Bodien."

"Before the war, the Boy Scouts had a camp in the park district. They had dedication ceremonies and did me the honor of using my name," Bodien asserted.

Mayor Green had no ready answer to this assertion, but said he would investigate.

Humerous as this may be, a serious situation in the way of "handles" may come up after September. If voters approve the new $395,000 bond issue there will be three new parks.

Anyone (other than city officials) have a suggestion for naming the parks?

TWO GRASS FIRES REPORTED SUNDAY

Week-end grass fires caused some excitement, but little damage near two Daly City residences, police reported today.

Occurring within 15 minutes of each other, the fires were reported Sunday at Citrus avenue between Miriam and Mission at 3:30 p.m. and at Bellevue and Oliver at 3:45 p.m.

Police put out the first blaze, while members of the fire department took care of the second fire. Damage at both places was held to a minimum, police said.

EPIDEMIC FEARED, AS POLIO CLAIMS FOURTH VICTIM

Polio may be reaching epidemic proportions in San Mateo county, according to county health authorities.

This was the indication after the death of the fourth polio victim in San Mateo county over the week end. The victim was Mrs. Dolores Jean Chisholm, 2030 Lyon street, who succumbed at Community hospital Sunday from bulbar poliomyelitis.

Her death was the fourth this year out of 28 cases of polio reported.

"There are considerably more cases this year than last," Dr. Harlan Wynns, county health official said. "We do not wish to think we may undergo an epidemic."

Warning that the spread of undue alarm is foolish, physicians attending Mrs. Chisholm asserted that the method of contagion is entirely unknown. They said communication from person to person has not yet been established.

The mortality rate this year shows one death in January and three for July. Of the 28 cases to date, 19 are under 20 years of age.

'49ers TO SHOW BOYS CLUB MOVIES

Helping to carry the ball for the Daly City Boys Club, members of the '49er football team will be at the club tomorrow night, August 5.

The brawny players will show motion pictures of their past games and discuss some of the highlights of those games.

All members, and especially those members' parents, are invited to attend. The meeting will be held at the clubhouse, No. 2 Hillside boulevard.

This will augment the regular meeting of parents of the boys who get together every Tuesday evening. At these meetings plans are formulated for the club operation and methods of getting the things the boys need are determined.

All interested parents are invited to these regular meetings, held at 8 o'clock in the clubhouse.

CHIEF SUNDERLAND ON VACATION UNLIMITED

Roaming throughout northern California and the Pacific Northwest today is Police Chief W. W. Sunderland.

The head of the Daly City gendarmes is enjoying his yearly two-week vacation. He reported he probably would take a look at Sacramento and then travel north to Seattle.

A bachelor, the chief is traveling alone. He did not say what he would be doing with his time during these two weeks.

During Chief Sunderland's absence, the sergeants heading the three respective shifts will be in charge.

COUPLE CAPTURED BY POLICE AFTER WILD D.C. CHASE

A good old-fashioned "cops and robbers" chase ripped through Daly City streets early Sunday morning, ending with the apprehension of an alleged husband and wife burglary team.

The man and wife combination is: John LaMonte, 32, and Nadine LaMonte, 25, both of 1564 Guerrero street, San Francisco.

They are being held by the San Mateo county sheriff's department today, charged with attempted robbery of the Stumble Inn, Hillside boulevard and Castle street. Loot in the episode consisted of $49 in cash, police said.

No one other than the owner of the inn, Julio Pera, spotted the robbers and tipped off the police. Pera, who lives behind the Colma tavern, saw a man entering the rear window of the bistro at about 3 a.m.

Pera dug out his shotgun, trained it on the window, and waited. Meanwhile, a member of the family called the law.

As two police cars skidded to a stop in front of the tavern, Pera discharged his shotgun at the man dropping out the rear window of the tavern. None of the shot hit LaMonte, who dashed to a car which his wife allegedly drove.

With a roar, the get-away car shot across Price and Mission and tore up School street going west to Junipero Serra boulevard. Right behind the zooming car came the police, turning on to Junipero Serra boulevard on two wheels.

The burglars' car made headway on the boulevard until it reached Westlake avenue where it turned east in a suicidal zig-zag course up and down several streets.

Slamming on the brakes, the couple jumped from the car at San Diego and Westlake avenues. They separated as police came to a screaming halt behind the couple's auto.

Guns drawn, officers carefully combed the district in which hundreds of families were peacefully sleeping unaware of the drama directly below their windows.

But the guns were not needed, as officers found John LaMonte cowering in a doorway at 169 Westlake avenue. He gave up without resistance, police said.

LaMonte's wife was only a few feet from her spouse. Officers almost tripped over her as she lay prone on the grass in the yard behind 169 Westlake.

Tying up the whole case in a neat bundle, officers hustled the alleged robbers into police cars, and a few moments later recovered the money. Two money sacks were found in shrubbery a few feet from where the couple was apprehended.

BLUM IS NEW LEGION HEAD

City Attorney Frank B. Blum has a new job today as commander of the 363rd Infantry Post No. 408, American Legion. He was installed in this position yesterday evening at a special meeting of the group in San Francisco.

WPA WORKERS POUR, DC STREET MEN CAN'T BORE

Thanks to zealous W.P.A. workers, it will be some time before street sign posts go up in the Colma area.

During the WPA reign, this agency helped to pour concrete curbs and sidewalks in Colma. Not content to have ordinary curbs, the government men poured from one to three feet more concrete than needed.

Accordingly, in order to drive a street sign pole it is necessary for Daly City street employes to drill through the cement.

Mayor Paul Green noted the city will have a cement breaker at the end of August. He said the workers would wait until the crusher is available before going ahead with the Colma project.

BIDS AWARDED FOR SCHOOL WORK AT BOARD MEETING

Principal business of the Thursday, July 28, meeting of the Jefferson elementary district school board was to grant contracts for school work.

The J. A. Furrer Co., with a bid of $1,430 was given the contract for the pavings of the grounds at the Thornton school.

Other bidders on this job included: T. M. Blomquist, $1,800; Rosenberg Bros., $1,440; Brocato Paving Co., $1,530; L. C. Smith, $1,605.

Gilling Brothers, with a bid of $11,197, were given the contract for a 78 passenger school bus.

A bid which had been taken under advisement for the installation of steel sash at the Thornton school was reconsidered. Upon a motion of Mike Callan, the bid for this project was rejected for reasons of economy. The installation will not be made at this time.

A discussion of the employment of a bus driver for the next year was held. Qualifications for the driver were outlined as: fully mature, reliable and responsible, excellent health, possession of a chauffer's and school bus driver's license.

Persons interested in filling this job are invited to submit application to James Snell, superintendent of the elementary district.

Salary and wage increases were discussed and three increases were set. They were: Steve Passafiume, $50 per month, and Miss Marian Puccinelli, $20 per month, both as of August 1. Miss Alfea Belli will be placed on the first step of the supervisor's schedule beginning September 1.

Additional fencing will soon be installed on the south boundary of Thornton school grounds.

Another step forward toward construction of a Colma school was taken when the trustees passed a resolution requesting the district attorney's office to proceed with condemnation proceedings against owners of property to be used for the school site.

LABOR DISPUTE MAY CLOSE DOWN WESTLAKE PROJ'CT

A new labor dispute threatened today to completely close down work in 10 days at the Henry Doelger Westlake project.

The dispute began Tuesday when the Building Material and Construction Teamsters Union, Local 216, struck. This preceded by one day the forced shutdown of 16 ready-mix concrete companies in San Mateo and San Francisco counties.

Unless the strike is settled, approximately 10 per cent of the men working at the Westlake project will be without work each day, a company official said.

Without concrete, the work of laying streets, sidewalks and curbs cannot continue at the 900-acre project. Within 10 days the carpenters and other workers will have caught up with foundations, floors, and other cement work done before the strike.

Not only the Doelger project, but also $200,000,000 worth of construction in the Bay Area is threatened by the strike. Also the jobs of 10,000 building trade workers are imperiled.

The teamsters called the strike after conferences over a new contract failed. The union wants additional pay and vacation benefits.

This strike is the second labor problem now faced by Doelger.

(Continued on Page 6)

FOUR SAVED FROM FUMES BY GIRL

Thanks to an 8 year old girl, a family of four is alive today after narrowly escaping death by gas in a Colma motor court.

Diane Herny was the heroine of the episode. She awoke Monday night in the auto court cabin, dizzy and sick, to find the room filled with carbon monoxide fumes.

She managed to arouse James Henry, 63, his wife, Carrie, and Mildred and Carvel Webster, her sister and brother in law respectively. They were rushed to Community Hospital, San Mateo, where Mrs. Henry is still in a serious condition.

Police said the gas escaped from an unvented gas heater burning in the cottage in the motor court at 7700 Mission street.

WATER RESERVOIR ROAD NOW COATED WITH OIL ROCK

It will be easier going now for trucks plying the road to the city water reservoir.

This week the public works department covered the bumpy road, leading off of Crocker avenue, with a topping of oil and rock. Cost of the project could not be learned at this time, although A. J. Bodien, superintendent of public works, said it was negligible.

This is a private road, and not open to the public, Bodien noted.

REDWOOD CITY WOMAN NAMED AS RECORDER

Filling the $6,500 county recorder's job today is Miss Ruth Kirste, former assistant recorder.

The board of supervisors made the appointment Tuesday to fill a vacancy left by the death of T. C. Rice. Miss Kirste will supposedly hold office until an elected recorder takes the position in January, 1951.

Appointment to the job is effective August 16. This will give Miss Kirste time to protect her civil service standing, so she may return to her old position after the 1951 elections.

However, a reliable county source said it might be possible that a new recorder would be elected next June, instead of 1951.

Miss Kirste indicated she would not run for the office.

A native of Redwood City, 45 year old Miss Kirste went through grade school there and graduated from Sequoia high school. She has been the assistant recorder for the past several years.

In announcing the appointment Chairman Henry W. Edmonds emphatically denied earlier rumors that board members were seeking the job. All the other supervisors stated that they never had any intention of taking the position.

There was also a word of praise for the qualifications of the other 15 applicants. One of these, Robert Duffy, is a Daly City resident. Earlier there had been a move to get a north county man appointed to the job.

LADDER LADDIES ARRIVE IN TIME TO SAVE DINNER

Versatile are the blaze busters of Daly City who yesterday demonstrated their prowess as second-story men.

Mrs. Bell Pool, 164 Los Banos avenue, went to the corner grocery store about 5:45 p.m. When she returned home, she had everything but the key to the front door.

With part of her dinner cooking on the stove, some drastic action had to be taken. The front window was open. That was the key.

A moment later hose hoisters George Ford and Bill Lewis drove up in a fire wagon.

The next minute they had a ladder up to the window, and by 6 o'clock Mrs. Pool was once again inside the house looking out.

No, the firemen didn't stay for dinner.

Colma Man Back From Army Camp And Mexico

Back from two weeks of army life today is A. L. Guglielmo, 603 Manila Way, Colma. Guglielmo, a captain in the army reserve corps, spent two weeks at Fort Bliss training in anti-aircraft procedure. During his stay in Texas he managed to get a week end pass, and took a pleasure trip to Chihuahua City, Mexico. He returned from Texas early last week.

CITY DADS DUE TO SET $395,000 BOND ELECTION DAY MONDAY

Public-minded civic groups and citizens are requested to attend the Monday night city council meeting when the $395,000 War Memorial bond issue will be discussed.

Mayor Paul Green urged all civic organizations to give their full backing to the proposed bond issue. Tentative plans call for a September 27 election. Then the people of Daly City will decide whether or not they want a War Memorial building and several new parks.

The city council is expected to unanimously pass a resolution Monday calling for the special September election.

"A majority of officials from various Daly City organizations have pledged their support of the city project," Mayor Green asserted.

Under present plans the voters will be asked to approve a bond issue which calls for $275,000 for a War Memorial building and $120,000 for improvement of three existing parks and acquisition of three others.

The city taxpayers will not have to pay any increased taxes, Mayor Green asserted. He indicated the present city revenues will be great enough to retire the bonds.

Further details on methods of retiring the bonds, and the type of bonds to be issued will be brought out at the Monday meeting, Mayor Green said.

At the present time the bonded indebtedness of Daly City is $8,000. Mayor Green said the city is allowed a $2,000,000 bonded indebtedness.

Meanwhile, the city council is also expected several other matters Monday. Among these will be the permanent appointment of approximately six members of the water department. These employes have been working for the past six months.

Bids on the proposed new city water well near the present pumping station will also be opened. This new well will furnish the city with added water and a source to tap into in case of any unforseen emergency in water shortage.

Ellison Fined $125 On Charge Drunken Driving

Pleading guilty to driving while intoxicated, Charles F. Ellison, Brisbane, was sentenced in police court Friday.

Judge William Sweeney fined Ellison $125, and suspended his driver's license for 90 days.

Ellison was arrested July 11, when officers removed him from his car at the intersection of Mission and Moltke streets.

LIONS HEAR DR. ALBERTON AT NOON MEETING

Pointing out some of the alleged fallacies of socialized medicine Wednesday was Dr. Edward Alberton, M. D., who spoke before the regular Lions Club meeting.

Dr. Alberton spoke to the group as a representative of the San Francisco medical society. Topic of his speech was "Prepaid Medical Care."

Urging the group not to be taken in by the claims of the advocates of compulsory socialized medicine, Dr. Alberton pleaded for the voluntary health insurance plan. Under this plan families take out voluntary health insurance.

"Never in the history of the world has any country made the medical progress made during the past half century in this country," Dr. Alberton continued.

"To take a chance on changing the system which has produced this remarkable record seems to me to be the essence of folly. Let us admit that we need more and not less medical care, but let's be sure that we do not sacrifice the quality for a mess of potage."

The next meeting of the Club will have Tom Laramie in charge of the program. Topic of the program will be announced later.

TWO TREATED AT LOCAL HOSPITAL

Receiving brief treatment at Junipero Serra hospital Sunday were a 15-year-old girl and a Daly City housewife.

The girl, Francis Murphy, 415 Crocker avenue, was taken to the hospital in a city ambulance after her parents reported she was ill. After an examination she was sent home at noon. There was no report as to the type of illness.

Suffering what police termed a "heart attack," Mrs. Logan Bishop, 66 Bepler street, was rushed to the hospital at 1 p.m. She collapsed at the Our Lady of Perpetual Help Church. Hospital authorities reported she was sent home shortly after arrival.

BODIEN CALLS FOR CITY HISTORIAN

What this city needs is a good historian, so opined A. J. Bodien, city superintendent of water, today.

He asserted at the present time there is not one person, or group keeping an accurate record of the city's history. And since its incorporation in 1911, the city has had an interesting history.

Even before the incorporation, when land was selling as low as $400 a lot, the community could boast of events to make any historian joyful.

Bodien also asserted that there is no accurate record of city officials who have come and gone over the past years.

"It is interesting to see what some of these men said and thought 25 years ago," Bodien said. "The only way anyone will ever know is to keep copies of their speeches, and records of their actions."

He said a city historian would do just that. The city historian would also be called on to gather together some of the items, such as landmarks, gold cups, documents that trace the life of a city.

"Some day we can probably have a museum in this community," Bodien asserted.

He quickly added, "if there is anything to put into the building."

A historian could gather together the various items and keep them in some convenient place until such time as a museum is built, Bodien said.

The water superintendent urged interested civic groups and persons to contact their city officials, and ask that a historian be appointed.

"This would be a notable and worthy task for some group to undertake," Bodien concluded.

Lumber Falls, Breaks Man's Leg

Recovering from a broken leg in St. Luke's hospital, San Francisco, today is Willard Johnson, 50, who was caught under a falling lumber pile Tuesday.

The employe of the Stockton Lumber Co., 6100 Mission, was helping to load a truck at the yard when the accident occurred. He evidently reached for a piece of lumber, gave it a jerk and the whole 12 foot pile collapsed on his leg.

He was rushed in a police ambulance to Junipero Serra hospital at 2:30 p. m., given emergency treatment and transferred to St. Luke.

Johnson is a resident of 825 Jefferson Court, San Mateo.

HOME ON LEAVE — Robert Ernest Thompson, U.S. Navy, is home today on a 30-day leave. He is the son of Mrs. Thompson and the late William Thompson of 246 Los Banos avenue. He returned home from the Aleutians to attend his father's funeral. The elder Thompson died July 20.

GREATER SELF HELP

Bernard Baruch's pessimism on the effectiveness of the Marshall Plan aid stems from the failure of the nations receiving this aid to do more to help themselves. At least in Baruch's opinion, according to a copyright story of the Chicago Herald American, they are not producing to capacity nor are they making all possible steps to achieve economic stability. Apparently they are under the impression that American aid will not end in 1952, as scheduled, but will continue indefinitely.

Most Americans favored, and still favor, Marshall Plan assistance for Europe, but if it is serving to make the recipients more dependent upon us rather than more self sufficient we had better take another look at the whole program.

One thing we might do is to emphasize that 1952 will positively mark the end of our aid and that it may terminate sooner unless more is done toward self help.

ATOMIC AGE — YEAR IV

The atomic bomb that burst over Hiroshima on August 6, 1945 announcing the beginning of the Atomic Age and the end of World War II is still being heard around the world. And it probably will continue to be heard for generations to come.

The bomb settled the big fight in the Far East, but it unsettled everything else. It was one thing to develop the weapon but was quite another to know what to do with it when the war was over. After four years we're still trying to figure that one out.

The problem might have been solved if all nations had been willing to cooperate in a plan that would have placed atomic control and inspection in the hands of the United Nations. But Moscow couldn't go for that.

Meantime the world sits on the atom and wonders if political and moral progress will catch up with scientific advancement while there is still an atom to sit on.

"STANDARD" RATE

Some things would be awfully funny if they weren't so awfully serious. Take, for instance, the facts dug up by the Senate committee which investigated the disputed elections of several of their members. In West Virginia they found that both parties paid eligible voters to go to the polls — we presume with the understanding that they'd vote the "right" way. It seems that some voters got two or three dollars for casting their ballots while others got five and six dollars and more.

Some of the citizens complained at the difference and demanded that a "standard" payment be established. We could get a good laugh out of that if it didn't provide evidence of a disgusting and disgraceful attitude toward the secret ballot. While few of us are naive enough to believe that such irregularities are unusual, it is nonetheless a blot on the nation's honor that these things do go on.

WHISTLE STOP?

One Coast sports commentator says that the Pacific Coast League is becoming nothing more than a whistle stop in the baseball world. It's not hard to understand what he means. This year more than ever it seems that good players are being plucked out of the league and sent up to the majors to bolster the Eastern teams in their pennant races.

One can hardly begrudge such advancement to men worthy of the big time, but what about the Coast League fans who pay the tariff? Aren't they deserving of some consideration? In several instances teams with good pennant chances have let stars go to the majors. Of course, these deals usually include an exchange of players as well as a bundle of cash. But the men moving down the ladder can hardly make up for the loss of the fellow who went up. In fairness to Coast League fans isn't it about time that some limitations were put on these midseason deals?

RADAR DEFENSE

While not much is said about it, there are many indications that U.S. military leaders are keeping a sharp eye out toward the top of the world. If the Russians were to start aggressive military operations their blow might be against us by air over the North Pole route rather than against Western Europe. This isn't looked for in the near future but the possibility is not being ignored in Washington. It is known that experiments and surveys are being pushed with a view toward the eventual establishment of a radar chain of defense across the Arctic.

The Air Force has already asked Congress for funds to build detection stations. So, while the "cold war" waxes warm both in the east and the west our military men make preparations in the north against that day when it may burst into devouring flames. Their work, however, could help to prevent it.

MOON TRIP

If you're interested in visiting the moon you might make a reservation now for 1960. The Canadian Rocket Society is preparing for such a trip and expects to be ready in about 10 years. The "moon ship" will be 200 feet long and 50 feet wide. The cost of taking the ship to the moon and back will be about $5 million.

The catch is however, that the development of the ship and all the research and experimentation necessary would cost hundreds of millions. And who is going to put up that kind of money?

Woodrow Wilson School Teacher Marries Marine

Honeymooning at Russian River today are Mr. and Mrs. John B. Muller Jr., married July 23 at St. Michael's church.

The bride is the former Helen L. Day, daughter of Mr. and Mrs. Ernest J. Day, 891 Brunswick. The groom is the son of Mr. and Mrs. John B. Muller of Iowa.

A graduate of Jefferson High school and the University of California, Mrs. Muller is a teacher at Woodrow Wilson elementary school.

A U.S. Marine, the groom is a graduate of St. Mary's High school, Remsen, Iowa.

Wearing a pearl white satin gown, the bride also wore a coronet of seed pearls and a French imported fingertip veil. Her gown had long sleeves and a train. She wore an orchid corsage with a center of carnations and sleptranie.

In the "old and new" department, the bride had her grandmother's lace handkerchief, her mother's pearls, and a well hidden blue garter.

Matron of honor was Lorraine M. Day, sister of the bride. She wore a blue taffeta dress and carried a rose and blue flowered bouquet.

Betty A. Lawson was bridesmaid and she wore a dress of pink taffeta. She, too, carried a rose and blue flower bouquet with a blue ribbon.

Bruce R. Brightman was best man, with Ernest J. Day Jr. as attendant.

The bride's mother was dressed in navy blue with a rose pattern and had an orchid corsage. The groom's mother was not present.

A reception was held at the home of the bride. Over 100 guests managed to get their share of the three-tiered cake.

The couple will reside at 930-A Vienna street, upon their return.

Woodrow Wilson PTA History

(This is the seventh in a series of articles acquainting the members and friends with the accomplishments of the Woodrow Wilson P.T.A.)

1945-46

As a combined meeting, the PTA installed the following officers: Hazel Marsh, president; Irene Williams, vice-president; Mildred Ventura, recording secretary; Hilda Heagney, treasurer.

Money raising event included the annual rummage and food sale, two hot dog sales, and a magazine whist, at which Mrs. Eleanor Meadows was hostess.

Two graduation parties were held and a Christmas party was given for the primary school. The annual mothers and teachers tea was held in November. Father's Night and Founders' Day programs were combined meetings.

The unit furnished leaders for Brownies and Girl Scouts, and Den Mothers for the Cubs. Tuesday of each week was stamp day when members issued war savings bonds and stamps to children.

Members donated blood to the San Mateo blood bank, and several members were Red Cross workers and others served at the service men's club. Donations were made to the sight saving fund, Christmas seal tuberculosis association, Red Cross, and crippled children of San Mateo county.

Two life memberships were presented to Mesdames Hazel Marsh and Hilda Heagney. Mrs. John Sorensen organized the room mothers and served as chairman.

Membership was increased to 185. The unit was presented with two certificates of achievement.

Utility Land Assessments Up

Assessments against public utility tangible property in San Mateo county are up 15.8 per cent this year.

George R. Reilly, first district board member of the state board of equalization, reported a total of $23,043,900 of public utility tangible property had been assessed. This represents an increase of $3,156,950.

Pacific Gas and Electric Co. and the Pacific Telephone and Telegraph Co. make up the two largest parts of property assessed.

Railroads, pipe line firms and express firms were taxed in that order.

Public utility property this year is valued at an all-time high, Reilly said. And for the first time this year telephone property exceeds the value of railroads in San Mateo county.

SPORT FISHING GOOD

Sport fishing in the waters off Los Angeles county was good last week, reports the National Automobile Club. Boats have been bringing in large catches of albacore and sea bass, and fair catches of barracuda and halibut.

ATOM BOMBER "RETIRES"—The famed B-29 "Enola Gay," from which the first atom bomb was dropped on Hiroshima, is now scheduled to take its place in the Smithsonian Institution. Above, Carl Mitman of the Institution accepts the records of the bomber from Maj.-Gen. R. O'Donnell, right, in ceremonies at the Chicago Air Fair.

UNLESS CITY ADDS ANOTHER FIGURE SMITH TO FIGHT

Fighting for an additional zero on the city's offer of $5,022 for land he owns, H. H. Smith filed protest against the city's condemnation proceedings this week.

The former mayor of Daly City is trying to save ¾ of an acre running from Brunswick street to Hillside boulevard. The city, July 18, started condemnation proceedings against the old quarry land, so it can be used to extend Brunswick through to the boulevard.

"Unless the city adds an additional zero to its offer there is no chance this thing will be settled out of court," H. H. Smith Jr. said today.

The case has not yet been placed on the San Mateo County Superior Court docket. Neither Smith nor city representatives could say when it would come up before a judge.

In asking more money for the old quarry land, Smith asserted the property is in the heart of town, and very valuable.

Earlier Smith had planned to use this, and additional land surrounding the proposed cut, for a motel. But the city refused to give him a building permit for the project.

Rainey, Anderson Wed At OLPH Church Saturday

Former San Francisco college football player John Rainey crossed the marital goal line last Saturday.

Rainey, son of Mr. and Mrs. Robert Rainey, 246 Willits street married Irene Marie Anderson. The bride is the daughter of Mr. and Mrs. Rudolph Anderson, 302 Irvington.

The marriage ceremony took place in Our Lady of Perpetual Help Church at 7 p.m., July 30. A reception followed at 8 o'clock in No. 4 Firehouse, Peoria street.

Walking down the aisle, the bride was dressed in the traditional white with long veil. She carried a shower bouquet of orchids.

Sister of the bride, Mrs. Marjorie Damante, was the maid of honor and dressed in a long lavendar gown. The bridesmaids wore gowns of yellow. Bridesmaids were Marian Elliott, Alice Anderson and Frances Crosley.

Robert Dyer was the best man, with Charles Razzari, Harland Ferrando and Richard Schultz acting as ushers.

The groom's mother was dressed in peach with orchids. The bride's mother wore an aqua dress, a dusty rose hat and also carried orchids.

While it seems to be a secret where the couple will spend their honeymoon, it is no secret that they will live at 12 Los Olivos avenue.

Both the bride and groom graduated from Jefferson high school. John went on to San Francisco college where he played football. Upon graduation he went to work for United Air Lines as a radio repairman.

Miss Anderson is employed with the Telephone company.

TROUT ANGLERS TAKE LIMITS

Trout anglers working along the East Fork and the West Fork of the Carson River in the Alpine County area took many limits of sizable fish last week.

LAST GROUP NOW AT GIRL SCOUT WASIBO CAMP

Attending the third and final 10-day session at the Girl Scout Camp Wasibo from July 31 to August 10 are many Daly City and Colma girls.

The girls go to the camp each year where they not only learn the wonders of the out-of-doors, but also how better to live with their neighbors.

Many interesting crafts are taught the young scouts, as well as useful things both for their personal and family betterment.

Camp Wasibo, partially operated by the Daly City - Colma - Bayshore Girl Scout council, is located near Zayante.

Daly City and Colma girls attending camp now are Marlen Anglin, Shirley Bane, Aline De Boton, Judith Brown, Linda Carovano, Mary Alice Coverdale, Marguerite Cripps, Polly Ann Danielson, Eileen DeBarnardi, Edith Detweiler, Barbara Fair, Ann Fernandez, Ruth Fresenborg.

Judith Graziani, Joanne Leu, Venia Mayberry, LaVerne Nagel, Doris O'Neil, Faye Orovitz, Alberta Lee Perro, Angelina Sereni, Peggy Sorensen, Arlen May Storm, Mary Ann Voelker.

Sharp Park, a recent addition to the scout council, sent the following group to camp: Beverly Boe, Dorothy Bouly, Patricia Gardner, Jacqueline Hall, Laura Harris, Constance Hester, Grace Johnson, Mary Lou Jones, Carol Mannebach, Barbara Pelton, Mary Scott, Patricia Simms, Carolyn Small, Peggy Trimble, Neva West, Carol Whitney.

Kramers Host To S.F. Society

Hosts last Sunday to the San Francisco branch of the American Begonia society were the Irvin Kramers, 231 Acton street.

The friends and members of the society visited the Kramers as a part of a series of tours they are now making of various local gardners.

A colorful display of potted begonias, now at their peak of bloom, a fern-decked pool and waterfall, and soft music were admired by the many who attended.

Mr. and Mrs. Kramer extended an invitation to anyone in Daly City who is interested in flowers to come at any time to visit their garden. It is open both day and night.

County Incomes Up Six Per Cent

Literally it pays to live in San Mateo county, as witnessed by the fact that incomes here in 1948 were up six per cent over 1947.

Total wages came to $345,070,000 during 1948. This represents a 259 per cent gain over 1940 county incomes of $96,163,000.

These statistics of individual income in all cases approximate personal net income before tax payments or other payroll deductions.

Civilian wage and salary incomes accounted for 67 per cent of income received by San Mateo county residents. Income from dividends, interest and rents dropped from 18.1 per cent in 1940 to 12.8 per cent in 1948.

Pensions, payments to veterans, direct relief, compensations and social security payments rose to $14,430,000 last year, as compared to $2,456 during 1940.

Legion Auxiliary Installs Officers At July Meeting

Taking office last week were the newly-elected officers of the Daly City American Legion Auxiliary No. 410.

The 26th district ritualistic team installed the officers July 27. President of the team is Helen Berryessa. Honorary sergeant-at-arms was Juanita Henderson.

New president of the auxiliary is Ethel R. Harris. Other officers installed include: Minnie Bernardi, first vice-president; Ruth Van Otter, second vice-president; Marge Kenney, secretary; Vivian Pahlka, treasurer; Catherine Foreman, chaplain.

Other officers include: Ann Welch, historian; Mary Gilbert, sergeant-at-arms; Bertha Zimmerman, marshal; Lillian Felch, junior past president and Leslie Hansen, Mary Crane, Julia Jordan, executive board.

New chairmen were also installed. They were: Grace Hill, Americanism; Thelma Hamilton, child welfare; Catherine Alexander, community service; Margaret Miller, education; Ann Welch, girl state; Mary Crane, legislative.

Frances Diltz, national security; Kathleen Matzek, Pan America; Marcie Trier, parliamentarian; Lillian Felch, past president parely; Olga Bordson, poppy.

Rose Giorni, publicity; Marie Miller, rehabilitation; Hazel Emerson, sunshine; Ruth Van Otten, ways and means; Minnie Bernardi, membership.

Following the installation refreshments were served. In charge of this was Mrs. Olga Bordson, assisted by Mrs. Kathleen Matzek and Mrs. Rose Giorni.

New Arrivals

To the wife of John Thomas Nordquist, 250 Lowell street, July 19, a daughter.

To the wife of Harold George Bowen Sr., 1803 Sweetwood drive, July 23, a son.

To the wife of Lloyd Edward Eagleton, 1007 Nimitz drive, Colma, July 26, a daughter.

To the wife of Norman Leopold Kaufmann, 816 87th street, Colma, July 26, a daughter.

To the wife of Jack Kuzirian, 1239 Geneva avenue, July 24, a daughter.

To the wife of David Raymond Newman, 271 Oliver street, July 26, a son.

To the wife of John Frederick Olsoen, Bayshore, July 26, a daughter.

To the wife of Salvatore Torrano, 413 Santa Barbara, July 25, a son.

To the wife of Roy Ernest Esposto, 792 Naddux drive, Colma, July 26, a son.

To the wife of John Kantor, 140 Thrift, July 31, a daughter.

Kantor Baby Born In Elevator, Dad Child, Mother OK

Rushed to Mills Memorial hospital Sunday, Mrs. John Kantor didn't quite beat the stork and a 7 pound 3 ounce baby girl was born in the hospital elevator.

Mrs. Kantor is the wife of John Kantor, of Kantor's Shoe Store, 6446 Mission street. She and her husband were out driving Sunday when the stork intercepted them on the highway.

Turning the car around, Kantor headed for the nearest San Mateo hospital. A doctor delivered the baby in the elevator at 4:30 p.m.

Both mother and child were reported as doing well today, as was the father who spent several days celebrating the affair.

Monday patrons of the shoe store were greeted by this bit of somewhat original verse:

"Roses are red, violets are blue,
I hadda the baby girl, so no fixa
the shoe until two."

All day Monday Kantor reported he was taking relatives and friends to see the baby. He also was busy collecting bets.

"I was sure it would be a girl," he commented. "The first was a boy, born on Christmas, the next had to be a girl. So it was a sure bet, wasn't it?"

As yet Kantor hasn't determined what his Christmas son or new baby daughter will do in life. However, they should inherit some artistic ability.

In the back of Kantor's store are several wood carvings of various heads. Although looking very realistic, the shoe repairman claims they all came from his imagination. Whether or not they are great contributions to the art world might be questioned, but they are undoubtedly skillfully executed.

The versatile Kantor also paints, as witnessed by several oils of Indians and horses displayed on the walls of his shop and home.

What all this has to do with a child born in an elevator may leave some in doubt. But maybe it will be resolved when the Christmas son and the elevator daughter reach majority.

DEER SEASON OPEN THIS SUNDAY, FEW BUCKS IN STATE

Deer hunting in San Mateo county should be good this year, the California department of game reported today.

The report was based on predictions for the hunting season which gets underway in the state's central and south coastal areas August 7.

On the whole, however, hunters will find bucks in all counties generally more scarce than last year.

But, besides hunting for deer, many of California's 300,000 buck hunters will probably be hunting for a place to hunt. Wardens are unanimous in reporting a new crop of "No Trespassing" signs, and warning coastal area hunters to obtain permission from landowners before entering private property.

Bag limits from August 7 to September 15, inclusive, will be two bucks.

Those counties reported to have the greatest number of good deer this year include Fresno, Glenn, Kern, Monterey, Napa, and Santa Clara. Other counties were listed by the game department either as fair or poor.

Counties not to hunt deer in are Orange and Riverside. In both these counties, fire killed off most of the deer last year.

VETS INFORMATION ON PENSIONS AND G-I HOME LOANS

When and where were you born, and can you prove it?

This question has special importance for veterans, particularly those who served prior to World War II.

Pensions paid by the federal government for permanent and total disability not connected with the veteran's military service hinge to a large extent on the vets age.

Under present law the pension increases automatically when the veteran reaches 65 to $72 a month. Pending legislations would make any veteran automatically eligible for pension without examination at 65.

Filing of a claim for disability pension or for an increase on the basis of age, requires proof of date of birth. This means either a copy of the birth certificate or affidavits from persons in a position to swear to the pertinent facts.

Veterans who want assistance in obtaining the necessary documents can get it from the Veterans Service office at the courthouse, Redwood City.

Vets Death Benefits

Four specific benefits become available upon the death of a veteran of any war, who was discharged under conditions other than dishonorable.

Veterans Administration is authorized to pay up to $150 for funeral and burial expenses of a war veteran, provide an American flag for burial purposes, arrange for interment in a national cemetery and provide a grave marker.

Applications for any one of the four benefits may be obtained from any VA office.

G-I Loans Qualifications

Trailers and houseboats do not qualify as homes under the loan guaranty provisions of the G-I Bill, Veterans Administration reports.

Although frequently used as dwellings, trailers and houseboats are not homes within the meaning of the G-I Bill and are ineligible for loan guaranty.

However, G-I loans may be negotiated for trailers and houseboats if used for legitimate business purposes.

* * *

Question: I am a veteran of World War II and would like to buy a home. Where do I go to get a guaranteed home loan?

Answer: You must find a bank, savings and loan association or other private lender willing to make the loan.

Question: How much can I borrow to comewithin the provisions of the G-I Bill?

Answer: The law sets no limit on the amount borrowed. The limit is on the amount of guaranty. You may borrow any amount that the lender is willing to let you have, but the maximum VA guaranty is $4,000 on a home or real estate loan or $2,000 on a business loan.

SSF Man Files $50,000 Suit

A $50,000 damage suit was filed this week by John A. Nicola, South San Francisco, against a San Francisco woman.

Nicola charges the woman, Mary E. Quistgaard, carelessly and negligently ran her automobile up on the sidewalk and struck him. He allegedly sustained a fractured collarbone and other multiple contusions.

The accident occurred March 30 near the intersection of Grand and Maple avenues.

In addition to the $50,000 damages, Nicola is also asking for compensation for medical expense and money lost from his business due to his absence.

Representing Nicola is the Daly City law firm of Fahey, Bocci and Gallen.

Colma Carnival Due In October

One person is going to walk to the Holy Angels Church carnival October 1 and 2, but ride away.

He will be the winner of the new 1949 sedan, top prize in a contest held in conjunction with the carnival. Other prizes will be a stove and a $50 U.S. Savings Bond.

Admission to Colombo Hall, Colma, where the fete will be held, will be free. Booths, games, entertainment and refreshments will be provided.

Tickets, enabling persons to enter the contest, are now being sold in Daly City, Colma and other parts of San Mateo county.

Proceeds from the sale will be deposited in the building fund. This fund will be used in turn to build a new church to serve county residents.

Prizes are now on display at: Belli Motors, Daly City, the sedan; Anderson's, Daly City, the $265 stove.

EVANS TAKES 25 LAP MIDGET RACE AT FRIDAY RACE

By Tom Tromborg

Bill Evans, a hard driving boy from Martinez, throttled his V8 through 25 laps of pressing competition to come home the victor in the feature 25 lap final at Bayshore stadium last Friday.

Evans was pressed all the way by the fast climbing Marvin Burk, but withstood his challenge to come out the victor and gain his initial victory at Bayshore stadium this year.

A consistently smooth driver, Evans had to lead-foot it all the way, for Burk is making a decided bid to take over the BCRA point standings from the leader Jerry Piper. He now needs only a small amount of points to take over the front running spot.

Evans was also hotly pressed by the thrilling maneuvers of Johnny Boyd. The latter worked his way up to the front only to spin into the fence and go to last place. At this point the chances of Boyd seemed slim, but through brilliant driving he finished the race in fourth place.

In the semi-main event the fans' choice was Mike McGreevy. He won, going away from the other drivers.

Midget racing opens up again Friday night with the boys unfurling the 40 lap main event, along with an exciting episode called the destruction derby. In this event 10 or more cars are sent upon the speedway to destruction. The last car able to run is acclaimed the winner.

Sister Kenny Polio Drive Under Way

A drive to raise funds for the aid of those suffering from infantile paralysis was launched in San Mateo county Monday.

Quota of the Sister Elizabeth Kenny Foundation drive is $6,000. It is estimated $150,000 will be needed in northern California during the next year.

Money will be used for training registered nurses and doctors in the Sister Kenny technique, and in providing facilities for treatment, Dr. Reuben Stutch, chairman of the drive, said.

Of the money collected in northern California, 80 per cent remains in the area, Dr. Stutch said.

"From personal experience I have seen the Kenny method in operation and I am firmly convinced of its effectiveness in acute stages of polio," Dr. Stutch asserted.

COMBINE COMBINES OPERATIONS—This machine is the latest idea in speeding up the harvesting of the nation's biggest peacetime wheat crops. A standard automatic twine-tying baler was joined with a combine to do several jobs at once. With the arrangement, a two-man crew can cut the ripe wheat, thresh it, bag it, and bale the leftover wheat straw in one continuous operation. At the left an automatically twine-tied bale is shown ready to drop from the baling chamber.

Castro NDGW Have New Officers

Castro Parlor, Native Daughters of the Golden West, No. 178, recently held their installation ceremonies.

Mrs. Barbara Scott was installed as the new president, while Jean Andrews will fill the position of first vice-president. Other officials include: Josephine Unini, third vice-president; Lucy Fahey, marshal; Josephine O'Brien, inside sentinel; Lucile Wagner, outside sentinel; Adeline Sandersfeld, secretary; Alice Lane, financial secretary, and Mae Waring, treasurer.

Past president of the group is Helen Matthews.

Meanwhile plans are going ahead for the parlor's participation in the coming Admission Day celebration and parade. The march will be held in San Jose September 9.

OLD AGE INSURANCE INFO. AVAILABLE

Details of old-age and survivors insurance is a "must" for all who pay into Social Security or may be beneficiaries of that insurance system.

So says the San Mateo office of Social Security Administration this week. The officials of the office asserted there is a great amount of misinformation current about the insurance.

"I would like to urge that all persons having questions about Old-Age and Survivors Insurance get in touch with this office so that they may be fully informed," Edward J. Foley, manager of the office, said.

Pamphlets are available in the San Mateo office which describe this family insurance plan in detail. The office is open from 9 to 5, Monday through Friday.

A representative is also available at city hall in Daly City from 2 to 3 p.m. on every second and fourth Wednesday of each month.

DOLWIG TO HEAD BRIDGE COMMITTEE FOR TWO MORE YEARS

The state legislature's lower house trans-bay crossing committee will be headed for another two years by Assemblyman Richard J. Dolwig.

Assemblyman Speaker Sam L. Collins, Fullerton, announced Dolwig's appointment last Saturday. Dolwig's committee recently finished hearings on plans for a second bay span. The committee recommended that the bridge go in down south, rather than a proposed twin span.

The committee also recommended that the upper deck of the present bridge be widened.

TRAFFIC COURT

Motorists had their collective eyes on the law last week, and only 12 were recipients of traffic tickets in Daly City.

This number compares with nearly 50 for the previous week.

Those who paid fines for speeding include: Albert A. Burglin, $5; Frances J. Culver, $5; Edward Murphy, $2.50; Bert Powers, $5; John J. Quinn, $7.50; Gustave Scheid, $5; Perry Prate, $5.

Other violations were Harold Damionte, Curtis T. Pulver, both Ernest J. Phelps, $1 for running $2.50 for going through stop sign; light; Joseph G. Larngus and Andrew Kiplaas, $2.50 and $5 respectively for failure to observe pedestrian safety zone.

Bridal Showers For Miss Kohmann

One bride who will be materially prepared for matrimony later this month is Isabelle Kohmann.

Miss Kohmann is the daughter of Mr. and Mrs. W. Kohmann, 814 Bellevue. She will walk up the aisle August 20 with her husband-to-be, James Bush, 4242 19th St.

Preparing for that day of days, friends of Miss Kohmann gave her two bridal showers recently. The first of these was June 29 at the home of Mrs. Maurice Laffayette, 124 Baben street, San Francisco. The shower was given by Mrs. Laffayette, her daughter Adele and Miss Malvina O'Shea.

Theme of the party was based on a garden. The decorations in the rumpus room of the Laffayette home carried this out from flowers over the door to gardenias on the main table.

Many useful and beautiful gifts were given Miss Kohmann at this shower and at another, July 25, at the home of Mrs. J. Santos, 2834 36th avenue.

This latter shower was given jointly by Mrs. Lorraine Bush and Mrs. Santos.

Swimmaree Party Hailed A Success

Water games and contests were enjoyed by parents and children at a special swim party last Saturday.

Staged by the Daly City recreation department, the party was held at the Jefferson high school pool. Even the non-swimmers had a good time, as they stood at the shallow end of the pool playing a game called "bombardment."

Contests and races run off at the party included: jelly-fish float, candle race, balloon race, and several other such events.

Non-swimmer winners were David Rasmussen, Harry Muller, Dick Kalinen, Larry Kennedy, Donny Rasmussen, Harry Miller, Barbara Morette, Diana Alcock, Arlene Morette, Joan Mallory, Carol Hansen, Arlene Hansen, David Ross, Arlene Hause and Bev Car.

Winner in the swimmers group were Mary Hall, Jim Fernandez, Diane Pedroni, Joanne Van Veit, Rich McDonald, Jimmy Selsor and Ross Benvides.

County Red Cross Doubles As Baby Sitter Tonight

Lucky for three-year-old Roddy Russell of Revere, Mass., that San Mateo county chapter of the American Red Cross functions for Travelers' Aid.

Roddy is flying half way around the world from Revere to Sidney, Australia. He is the son of Mrs. Joy Weston Russell, an Australian war bride residing in the eastern city.

Unable to accompany her baby on a visit to his grandmother in Sidney, Mrs. Russell's appeal for a "transcontinental baby sitter" was carried on the front page of a Boston newspaper.

Armand Lamore, 27, saw the story. He was flying to San Francisco on his vacation and offered to take on the job of "baby sitter."

They left Boston at 2:45 p.m. yesterday and arrived in San Francisco at 4:30 a.m. today. But what to do with Roddy from 4:30 a.m. until 11:30 p.m. when the plane leaves for Australia?

The Red Cross came to the rescue. Mrs. B. A. Miles, local ARC home service department representative, met the plane. She is now taking over Lamore's job until the child's plane leaves tonight.

Helping Hands

This little boy is practicing the best of all social traits as he reaches out a helping hand to his timid companion. As he grows older, he is apt to learn that cooperation and mutual helpfulness are the basis of human happiness and human progress.

People who live for themselves alone, who have no concern for the welfare of others, can never achieve life's highest purposes nor realize its fullest joys. These are reserved for the people who have helping hands.

The Bible teaches us to love our fellow-men, to share their burdens, enter into their joys and sorrows, and help them over the rough and difficult places of life. When we do this we emulate the character and spirit of God himself—the spirit of love and helpfulness.

Worshipful hearts and helping hands! These are the teachings of the Church—the precepts of God. The world would be much happier and much brighter if all of us would practice them.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Notice of Sale of Real Estate by the Executrix of the last will and testament of IDA BELLE GEERING, Deceased.

No. 114582

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA IN AND FOR THE CITY AND COUNTY OF SAN FRANCISCO

In the Matter of the Estate of IDA BELLE GEERING, Deceased

Notice is hereby given that EDITH F. ROBERTS, the Executrix of the last will and testament of IDA BELLE GEERING, deceased, will sell on or after August 15th, 1949, to the highest bidder, and upon the terms and conditions hereinafter mentioned, at private sale, subject to confirmation by the above - entitled court, all of the right, title, interest and estate of said decedent at the time of her death, in the parcel of land hereinafter described, and all of the right, title, or interest in said property, which said estate has acquired by operation of law or otherwise, other than or in addition to that of said decedent at the time of her death. Said parcel of real property is located in the County of San Mateo, State of California, and described as follows:—

That certain lot, piece or parcel of land situate lying and being in the County of San Mateo, State of California, particularly described as follows:—

Lot Number Three (3) in Block Number Eight (8) as the same is designated and delineated on that certain map entitled "Crocker Estate Tract, Subdivision No. 1," which was filed for record on June 1, 1908, and recorded in Book 6 of Maps at page 16, in the office of the County Recorder of said County of San Mateo.

Terms of sale: Cash in lawful money of the United States of America upon delivery of deed by said Executrix and after confirmation of sale by said Court. Deed, at the expense of the seller, but all other expenses at the expense of the buyer.

Property will be sold subject to proration of rent, taxes and other usual fixed charges. Bids and offers will be in writing, and may be left with said Executrix, personally, or at the office of Pierre J. Ibos, attorney at law, 690 Market Street, Suite 1012, San Francisco 4, California, or may be filed with the clerk of the above-entitled court at any time after the first publication of this notice, and before the making of said sale. Each bid or offer must be accompanied by a cashier's check, or a certified check, payable to said Executrix, in an amount equivalent to 10% of the bid or offer.

DATED: July 26th, 1949.

New Auxiliary To Hold Friday Installation

Institution of the new Lake Merced Auxiliary, VFW, Post No. 9921, along with installation of officers, will take place next Friday, August 12.

Organized June 21, 1949, the post is especially organized for women in the Lake Merced and Colma district. The ceremonies of institution and installation will begin at 8 p.m. Friday at the Colma Community Center, Dunk street.

Mrs. Lola Conners, past president of the Auxiliary department of California, will be the instituting officer. Mrs. J. S. Farr, former Redwood City Auxiliary commender will be in charge of installation.

Officers to take over the post during its first year will be: Mrs. Nevin Cavero, president; Mrs. William Harding, senior vice-president; Mrs. Richard McCoy, junior vice-president; Mrs. John Markman, chaplain; Mrs. Robert Goodwin, conductress; Mrs. John Kelleher, treasurer; Mrs. R. W. Hirschmiller, guard, and Mrs. Otto Krowitz, secretary.

Trustees will include Mrs. Petersen, Mrs. Holt and Mrs. Neilsen.

MRS. MARY NOLAN

A Daly City pioneer, Mrs. Mary Nolan, 87, died at San Jose July 30.

Mrs. Nolan came to this community in the early 1900's, and spent most of her life in and around Daly City. She is survived by two grandsons, Herbert and Ervin Shelmadine, 560 Hanover street.

Funeral services were held for Mrs. Nolan August 2 at the W. C. Lasswell Chapel. Final internment followed in the Olivet Memorial cemetery.

Pasture Improvement

Five steps in pasture improvement; test and treat soil, disk well, reseed, control grazing and clip weeds.

PHONE RATES GO UP IN DALY CITY AFTER SEPTEMBER

Phone calls are going to cost Daly City residents from 25 cents to $1 more a month after September.

Approval for the rate boost was recently granted Pacific Telephone and Telegraph officials by the State Public Utility Commission.

Telephone company officials said the boost would become official after the company had passed on it early in September.

Higher cost of material and recent wage boosts necessitated the rate increase, an official said.

Tariff increases would affect all those serviced by the San Francisco exchange.

One party residential flat rates can go from $4.25 to $4.75 a month. Other residential rates approved by the PUC include: two party, from $3.25 to $3.65; two party message rate (60 calls) from $2.50 to $2.80.

Business rates can go from the present $5 to $5.25 for 80 message service, and sub flat rates from $4.75 to $5.

The earlier February increase hit toll calls within all of California, and also the average home and business. The September increase will still be under the $38,500,000 requested by the company.

The present boost was granted PT&T to supplement an interim raise of $13,000,000 approved in February. New rates would bring in an additional $13,400,000.

Total rate boosts since February (if the new rates go into effect) will total $54,700,000.

A PT&T official claimed that wage increases alone from 1941 cost the company $80,000,000 a year. He also asserted that about two-thirds of this additional expense had been incurred in the post-war years.

Community Washing Machines

There are some 20,000 self-service coin operated washers in New York City apartment houses. Permits are required for each machine, and health inspectors see that owners — mostly operating companies and not landlords—furnish adequate supplies of hot water.

Rivas, Cabano Married At OLPH Ceremony July 23

Enjoying a honeymoon at Lake Tahoe this week are Mr. and Mrs. Ray Cabano, married at Our Lady of Perpetual Help Church July 23.

The bride is the former Josephine Rivas, daughter of Mr. and Mrs. Frank Rivas, 409 Vista Grande. Ray is the son of Mr. and Mrs. Louis Cabano, 46 Como avenue.

Both bride and groom are graduates of Jefferson high school. Mrs. Cabano is employed at the Bank of America. Her husband is employed at the Golden State Calfskinning Co.

Carrying a lily-of-the-valley bouquet, surrounded by three orchids, the bride wore a white satin gown with a lace veil.

Matron of honor, Ruth Cabano, was dressed in yellow taffeta. The bridesmaids, Betty Rivas and Annie Reyes were dressed in yellow net.

Gail Tabarez was flower girl while Steve Segale acted as ring bearer.

Best man for the ceremony was Frank Rivas, while George Cabano and Fred DeMattei acted as ushers.

Both the bride's and groom's mothers wore fur coats. Mrs. Cabano had a blue dress with a brown hat and blue feathers. Mrs. Rivas wore a hunters green dress with a brown hat and beige feather. The mothers each wore orchid corsages.

A reception, attended by over 400 people, was held at Guadalupe Hall, 4551 Mission street.

When the couple return they will make their home at 215 San Jose avenue.

WOMAN LOSES SELF IN DALY CITY MOVIE

There must have been a good movie showing at the Daly City Theatre last Saturday.

In fact it was so good, one unidentified woman's mouth probably dropped open in amazement.

She was doubly amazed the next morning at breakfast.

Yep, she'd left her upper plate at the movies. The management says the teeth are permanently parted from their owner, as they were swept up an deposited in an ash can.

The name of the movie wherein the woman lost her teeth, "We Were Strangers."

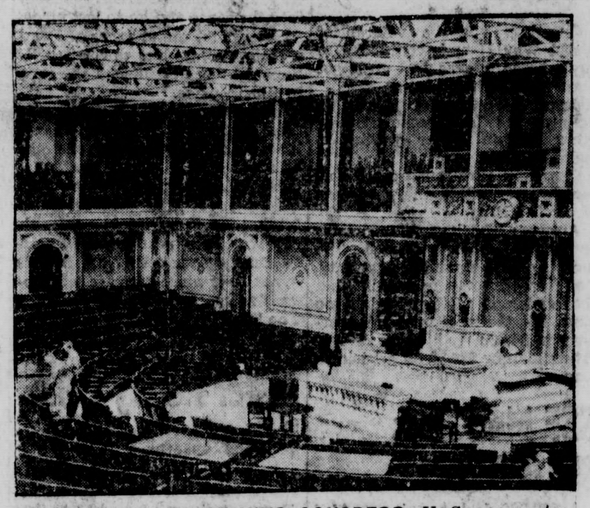
THREE OF A KIND—Gipsy Lad's Missy, a registered jersey cow, displays motherly concern as Jack Shepherd looks over her one-day-old triplets at Glen Ellen, Calif. The birth of triplets is a rarity in bovine circles, and Missy's feeling justifiably proud.

TROTTING TOWARD HAMBLETONIAN — Guy Ambassador gets a brisk workout at the hands of trainer-driver Harry Fitzpatrick at Goshen, N. Y., in preparation for the forthcoming $67,000 Hambletonian. The colt is given a good chance in the trotting classic, which was won in 1942 by his sire, The Ambassador.



HOUSING SHORTAGE HITS CONGRESS—U. S. representatives in Washington are temporarily dispossessed as the job of repairing the sagging roof of the House Chamber gets under way. Shaky ceilings, now supported by steel girders, forced congressmen to convene in the House Ways and Means Committee Room of the House Office Building.

OLD TRICK, NEW TWIST—Cargo men loading this plane at Miami, Fla., were at the end of their rope when they found that this hawser was too bulky to fit through the doors of the plane. The knotty problem, which could have tied up air traffic, was solved with a simple rope trick—the half-mile hawser was uncoiled, passed lengthwise into the plane and coiled all over again.

Startling but charming are the new Parisian stockings which glitter with rhinestones and sequins. They're for late afternoon and evening wear, of course. Hose with lace or tulle reinforcements, embroidered clocks and contrasting bracelets are being shown for the more conservative.

★ ★ ★

It may be that the hot weather has already affected the decorative candles on the mantel or buffet. But if not, or when you get a new set, apply a thin coating of shellac. That helps prevent bending.

★ ★ ★

Those white summer blankets that have become yellow with age can be rejuvenated by dyeing a pretty pink, gold or blue with all-purpose dye. Then bind them with satin braid of the same shade.

★ ★ ★

To keep that sweet flavor, freshly picked corn should be husked and put in the refrigerator. Husks hold the heat and heat changes the sugar in the corn to starch. That's when roasting ears begin to taste like field corn.

★ ★ ★

When hunting for a real treat in the vegetable line, saute one of the late summer vegetables, such as crookneck squash, tomatoes, egg plant or cauliflower. For best results dip slices in egg, then in bread crumbs or flour and saute in several tablespoons of real mayonnaise over a moderate heat. That mayonnaise gives a wonderful flavor.

★ ★ ★

If you're in search of a new hobby, don't overlook one nearest at hand. Food. Planning, preparing and serving attractive and appetizing meals calls for all the talent and ingenuity that is required of an artist.

Under the Pure Food Act of 1938 all food products using artificial coloring must label that fact. Butter, however, which is artificially colored most of the year, enjoys special privileges and does not have to comply with the law. On the other hand, vitaminized margarine, when colored yellow, is subject to a Federal tax of 10c a pound. Doesn't seem fair, does it?

★ ★ ★

How about it? Are you too free with soap and detergents when washing dishes and clothes. Manufacturers say that women use a great deal more washing powder than is necessary. Might be worth checking.

★ ★ ★

In the stores now is a new double boiler with a double function. The top, with small handles jutting out from either side, becomes an attractive casserole which looks mighty nice on any dinner table.

★ ★ ★

Next time you serve a meat pie, add a little "poultry seasoning" to the biscuit dough. You'll regret the times you haven't done it.

★ ★ ★

Those faded and scuffed spots on leather or straw handbags will do the disappearing act with a coat of the ol' shinola. Of course, you'll use matching colors, such as brown on brown, blue on blue, etc.

★ ★ ★

Commercially prepared baby foods are a time saver, of course. But how do they compare in cost with home prepared vegetables and fruits? Well, it's good news for the busy mother. For figures prove that even when fuel and time are not included, the commercial foods are cheaper.

Cubist Movement

Juan Gris, with Picasso and Braque, was one of the founders of the Cubist movement. Gris, a master of plastic relations, held that it made no difference how elements appeared in shape, color, and perspective as long as a harmonious whole was effected. "My art," he said, "is the art of synthesis, a deductive art."

Principal Use of Zinc

More than 60 per cent of all the zinc produced in the U. S. is used as a protective coating for iron and steel.

Save the Flakiness

There's a trick to re-rolling or storing pastry that can mean the diffrence between flaky pastry and that which is not. Instead of wadding the pastry scraps up into a ball before storing or rolling, stack them neatly, piece on piece. In this way the flaky structure is preserved rather than destroyed.

Farm Ponds

Use of farm ponds to supply stock water has become a common practice in areas where wells are not dependable.

MIDGET RACES AT BAYSHORE FRIDAY

One of the top midget auto racing programs in northern California this season will be held near Bayshore Stadium Friday.

Four thrilling attractions will be shown, beginning at 8 p. m. with the trophy dash. The trials will begin at 7 p. m.

First of the events will be a "destruction derby" in which eight cars are expected to take part. These autos are smashed and crashed into each other until only one remains, the winner, in running condition.

The second, and main event, will be a 40 lap race around the track. Previously this has been held down to 25 laps.

Then there will be several "hardtop" stock car races. These consist of regular makes of automobiles stripped down for racing.

Final event on the program will be the $169 "Speed Queen." No this isn't a racer, but a washing machine. It will be given away to a lucky fan.

GPC Children's Choir Will Sing Sunday

Children's voices will sound in praise of God as the newly organized children's choir of the Grace Presbyterian church sings this Sunday.

The young voices will be heard at the 11 o'clock worship service at the Hanover and Evergreen streets church. Under the direction of Mrs. R. Traxler new choir vestments have been completed.

Regular practice will be observed by the choir in preparation for special rally day services.

Pheasant Needs Coddling

Pheasants thrive in captivity, but are more demanding than poultry

Make School Life Count in Your Future Plans

BY WALTER KING

WHICH would you rather have: a $5 book you don't like, or a nickel newspaper that is interesting? And would you choose a $5000-a-year job which you detest, in preference to a $3000-a-year position that brings joy and satisfaction?

The smart boy or girl nowadays makes school the testing ground for his future. Things learned at school are all to the good, but what you find out about yourself is better. If you keep your eyes open you will be guided in the choosing of your life work. Remember that unless you find work that suits you, nothing you can earn will make up for lack of proper adjustment.

Take a look at the sign posts: hobbies, favorite games, spare time interests, free reading, best school subjects. Consider your chief center of interest. Find out whether persons or things, pals or popcorn suit you best.

If you shy away from meeting people and do not enjoy being in a crowd you will never be a success as a salesman. Don't expect to be a whiz at your work if you are an indoor person with an outdoor urge or the other way around.

High marks at school will not tell you the whole story. Neither will C's or D's. Your job when you are young is to keep your eyes on school books, but don't forget to take a squint at yourself, too. Make sure you don't train for a job that doesn't suit you. This would be heading for certain failure because you will be smothering a natural urge for the things you like.

There are many jobs from which to choose. A questionnaire given to several thousand school children recently showed that the following were the most important factors affecting their choices:

1. Liking the work chosen. 2. Desire to be of service to other people. 3. The pay. 4. The opportunity. 5. Special ability for the job. 6. Influence of parents or friends.

★ ★ ★

THE chief points to keep in mind when choosing your life's work are:

(1) Special abilities judged by your school and other work.

(2) The type of work that you like best.

(3) Openings and chances for promotion.

(4) Probable life earnings. This is only one of many factors, being happy is more important.

(5) Social recognition given the work. It is obviously better to be a poor preacher than a rich executioner.

(6) Regularity of work. Some trades are seasonal, others call for irregular hours.

(7) Amount of leisure time.

(8) Permanence of work. To most people, a small steady income is better than a large uncertain one. People will fight for security.

(9) Monotony of work. Consider, for instance, the difference between the daily grind of a factory worker to the varied life of a social worker.

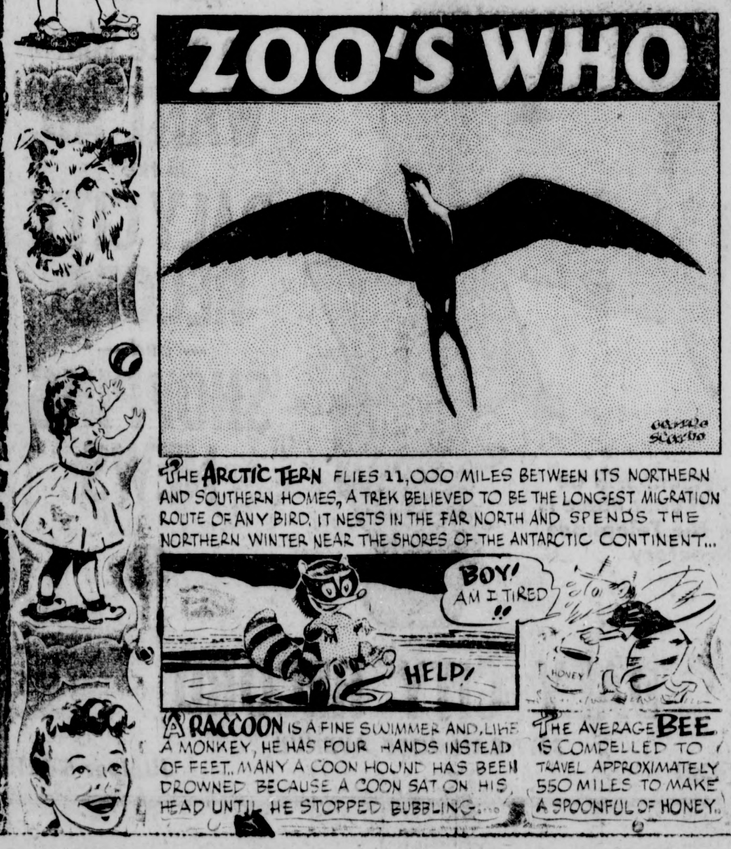
(10) Danger involved. You may have ambitions to be a stunt man but your accident insurance premium will be much lower if you are an office worker.

(11) Retirement age. Most athletes are through at 35. They must make enough, and save enough to carry on in a new line of work for another 35 years or so.

(12) Field of work. If you are a home lover, steer clear of work in the international field, commercial traveling, or police investigation.

(13) Extra duties required. Librarians and others are expected to give lectures, radio addresses, etc.

(14) Future for the line of work you are choosing. We shall always need doctors and dentists. Blacksmiths and milliners are becoming rare.



ZOO'S WHO
THE ARCTIC TERN FLIES 11,000 MILES BETWEEN ITS NORTHERN AND SOUTHERN HOMES, A TREK BELIEVED TO BE THE LONGEST MIGRATION ROUTE OF ANY BIRD. IT NESTS IN THE FAR NORTH AND SPENDS THE NORTHERN WINTER NEAR THE SHORES OF THE ANTARCTIC CONTINENT...

ARA
AVERT
DREAMER
ARMED
TED
R

FRUIT SQUARE: Pineapple, Cherry, Apricot, Grape, Banana, Orange, Apple, Pear.

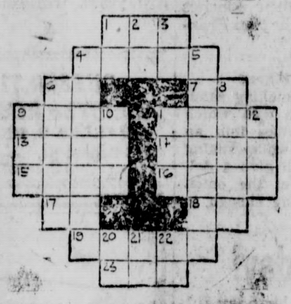
HOMONYM: Pray, prey.

ADD-A-LETTER: Ace, face, place to —— the city would not fall —— to the enemy's forces, facet, faucet.

PUZZLE PATCH

Crossword

A silhouette of a capital "I" is in the center of this puzzle and the first word across is what you do with your "eyes."



ACROSS

1 Observe
4 Native of Rome
6 Symbol for cerium
7 Arctic gulf
9 Soft drink
11 Heavenly body
13 Verbal
14 Engage
15 Step
16 Eternities
17 Lieutenant (ab.)
18 Nova Scotia (ab.)
19 Painful spots
23 Distant

DOWN

1 Thus
2 Type measure
3 Each (ab.)
4 Edits
5 Ideas
6 Sea skeleton
8 Farm buildings
9 Soak up
10 Malt beverage
11 Her
12 Residence (ab.)
20 From
21 Egyptian sun god
22 Comparative suffix

Homonym

Although the missing words sound alike, they are spelled differently.

The mayor called upon the populace to —— the city would not fall —— to the enemy's forces.

Riddles

1. Why are riddles which cannot be answered like a man disappointed by his visitors?

2. What root are policemen most familiar with?

3. Why is a blacksmith like a safe steed?

4. When is an altered dress like a secret?

5. If a boy saw his sister fall into a well why could he not rescue her?

Fruit Square

When you find the correct starting point, read each letter up, down, backward, or forward (never diagonally), and you'll ripen the eight hidden kinds of fruit:

R	R	I	N	E	A
Y	E	P	L	P	P
A	H	C	E	T	G
P	R	I	C	O	R
E	P	E	E	P	A
A	R	L	S	A	N
A	P	P	R	O	A
E	G	N	A	A	N

Diamond

A DREAMER sleeps in the center of today's diamond. The second word is "a constellation," the third "to turn aside," the fifth "supplied with weapons," and the sixth "to scatter."

Sneaker Patcher

If your sneakers wear out at the toes patch them with wide, white surgical tape cut to fit and pasted inside the lining.

CITY CHAMPS TO BE CHOSEN NEXT WEEK IN RECREATION TOURNAMENT DAY

Champs in checkers, basketball, football and many other fields of endeavor will be chosen in "Tournament Championship Day" August 12.

This is the day the Daly City recreation department stages its annual tournament to determine all-city champions. The event will be held at Jefferson high school from 10 a.m. to 3 p.m.

Boys from two to 15 and girls of the same age group are eligible to take part in the events. Winners will be chosen out of four age groups, two for boys and girls, respectively.

Crowns to be won will be for the best boy or girl at free throws, basketball, table tennis, paddle tennis, chess, checkers, softball throw and football throw. For girls under 10 there will be special crowns for jacks, jumprope, hopscotch and O'Leary.

Ribbons will be awarded the champs, with certificates of merit also going to winners.

Here are the rules: Two players from each of the playgrounds may enter one event. Each entry is limited to four events.

In the free throws, each man takes 10 shots alternately. Each set of 10 shots constitutes a game. First player to win two games wins and advances to the next bracket.

Other rules will be announced at the time of the competition.

Meanwhile, the recreation department reminded all theater-minded youths that tomorrow August 5, is the day of the talent show. It will be run off at 10:30 a.m. in the Jefferson high school auditorium.

Dancing, singing, instrumental, recitations, skit and stunts are the principal type of talent to be on display.

Playgrounds made news last week:

LINCOLN — On Tuesday, July 26, Lincoln held a table tennis tournament and it produced a new champion in the person of Owen Charles. Don Wilson stepped down from the throne.

Lincoln had a small group that took advantage of the Bay excursion. The group spent the whole day viewing the various signs in the Bay area.

Marchbanks again took a basketball game, this time by the tight score of 57 to 50. Another sports event, a football game, was held Tuesday with Marchbanks. Score of this game is not available at press time.

LITTLE JEFF: This week Mario Sereni defeated his brother "Punky" 21 to 6 to cap the Class A paddle tennis tournament. In the Class B division, Danny Hensell defeated Herby Frost to the score of 21 to 3.

MARCHBANKS: Weaving was introduced on the playground this week. Over 20 children participated. The craft will be continued throughout the week. Friday the youngest children participated in a mask contest. The children were told to make funny faces on large paper bags. Barbara Newman's mask won first prize as the "funniest face."

JEFFERSON HIGH: With one-half of the summer program over, 30 boys and girls combined with the other recreation centers for a Bay excursion. Yesterday the first annual badminton tournament began at the high school gym. There are over 100 entrants trying to take the various medals.

Boxing is also in the spotlight. Plans are now being prepared for the gigantic boxing show to be held Wednesday night, August 31.

CRAFT CENTERS: The craft centers are in full swing with many new things added. They are having a good turnout in most ages, but would like to see more of the over 12-year-olds at 3 p.m.

The boys airplane modeling is very short on attendance. This class is held each Wednesday night at 7 p.m. at Parkview Craft center, 101 Parkview. Models can be purchased by the department for 40 to 50 per cent less than retail.

A. W. Gfroerer Has New Grandson Named David

There is a new Gfroerer in the world today, following the birth of a son to Mr. and Mrs. William A. Gfroerer, No. 51 Tulagi Road, Guam Village, San Francisco, last Sunday.

The boy weighed in at 8 pounds 13 ounces at the San Mateo Mills Memorial hospital. The child, to be named David William is the grandson of Mr. and Mrs. A. W. Gfroerer, 139 Vista Grande, Daly City.

BOXING, FOLK DANCING TAUGHT AT CITY FIELDS

Everything from boxing a compass to boxing the ears of an opponent can be learned at one of the Daly City playgrounds. During the summer months, the playgrounds feature the following events for both children and adults:

BASEBALL — Jefferson High school, 10 a.m. to noon, Tuesday and Thursday, all day Sunday; Marchbanks Park, Sunday, 10 a.m. to 2 p.m.

BASKETBALL — Castle Hall, 7339 Mission street, Monday and Wednesday, 7 to 9 p.m.; high school, Monday, Tuesday, Thursday, 7 to 9:30 p.m.

HANDICRAFT — Parkview Center, MWF, 10 a.m. to 4:30 p.m.; Jefferson elementary, MWF, 3-4:30 p.m.; Peoria TuTh, 10 a.m. to 1:30 p.m.

FOLK DANCING — Jefferson high school, TuTh, 1-2 p.m.; Bellevue Hall, every Th, 1:30-2:30 p.m. and 2nd 4th Th, 7-8:30 p.m.; Bellevue Hall, F, 8-10 p.m. for immediate adults. Jefferson high school, F, 7:30-9:30 p.m. for beginning adults.

BOXING — Jefferson high school, MF, 1:45-2:30 p.m.

TWEEN TEEN CLUB — Bellevue hall, M, 7-9 p.m.; Castle hall, Th, 7-9 p.m.

TEEN AGE CLUB — Castle hall, TuF, 7:30 p.m.

TUMBLING — Boys at Jefferson high school, MF, 1-1:45 p.m.; girls at Jefferson high school, Tu Th, 2-3 p.m.

TENNIS — Jefferson high school, MF, 2:30-3:30 p.m.

BADMINTON — Jefferson high school W, 7-9:30 p.m.; for tween teens, F, 7-9:30 p.m.

SWIMMING — Jefferson high school all week from 2-4:20 p.m. and 7:30-9:30 p.m.; S, 2-4:30 p.m.; pool closed Sunday; women and girls W evening.

MOVIES — Jefferson high school, M, 9.30-11:30 a.m.; Bellevue hall, M, 2-4 p.m.

DRAMATICS, RHYTHMICS — Crocker, M, Tu, Th, S, 10 a.m. to noon; Jefferson elementary, TuTh, 1-2:30 p.m.; Marchbanks, TuTh, 3-4:30 p.m.

PLAYGROUNDS — Supervised Monday through Friday 9:30 to 5:30 and Saturdays 9:30 a.m. to 1 p.m. for general playground activities.

SPECIAL EVENTS — Talent Show, August 5, 10:30 a.m., Jefferson High; Tournament Day, August 12, 10 a.m. Jefferson High.

F.O.E. AUXILIARY SETS NEW WHIST TIME

Whist players who usually attend the Ladies Auxiliary, F.O.E. No. 1848, parties during the afternoon will now play by lamplight.

The whist parties are being held in the evenings, an official announced today. The next game will be August 16, 8:30 p.m., at Eagles Hall, 3346 San Jose.

This will be the first of a series of games to run over a six-month period. At the end of the six months a prize will be given for the highest score in the series.

Mrs. Agatha Hayden will be in charge of the next whist game.

FLORIDA SCENE? IT'S PHONY—Palms stirred by balmy ocean breezes frame a picturesque semi-tropical scene as the famed Bok Singing Tower is silhouetted against the early morning Florida sun—or so it seems. The palm trees are real enough—transplanted—but the tower is just a replica. And the "ocean" in the background is actually Lake Michigan. It's all part of the Chicago and Eastern Illinois exhibit at the Railroad Fair in the Windy City.

Labor Dispute

(Continued from Page 1)

Tne first came four weeks ago when AFL carpenters and roofers called a jurisdictional strike. The AFL Roofers and Waterproofers Union, Local 40, claimed they, and not the carpenters, should put down composition roofs.

At present the dispute is being heard by Judge Herbert W. Erskine of the 12th District Court. Some decision is expected to be reached by Monday, a company official asserted.

CITY HALL HAS NEW TOPPER

Getting a reconditioned topper this week is Daly City's city hall.

A tar and gravel roof is being placed over the old topping by the American Roofing Maintenance Co., Daly City.

Mayor Paul Green said it will cost the city about $200.

The roof is being repaired in preparation for a complete face lifting for the three-story building. In time new paint and plaster will be slapped over present unsightly walls, Mayor Green said.

The mayor did not indicate when the remodeling job would be undertaken.

Recreation Dept. Schedules Outing To Golden Gate Park

Wonders of Golden Gate Park will be shown those children who go on several outings planned by the Daly City recreation department next week.

On Wednesday, August 10, youngsters from the different playgrounds will make the trip to the park. Participants will leave the grounds at 10 a.m. and be back between 4 and 5 p.m. They are requested to bring lunches.

A specially arranged tour of the aquarium has been scheduled, whereby youngsters will get a chance to go behind the fish tanks.

Another highlight of the trip will be a visit to the Children's playground with its miniature farm.

Further information, and permit slips, may be obtained from the different playground directors.

Baseball fans will also have a day next week when Saturday, August 13, playground directors will take youngsters to a Seals baseball game. Admission will be free.

During the past week, each of the playgrounds made their own selection of outings. Marchbanks enjoyed a picnic at Lake Merced. The Jefferson high school group went fishing at the San Francisco municipal wharf.

Another trip last week was a cruise on San Francisco Bay. Some 60 youngsters went on this trip. The 150-passenger boat traveled near the shoreline toward the Golden Gate bridge, then to Fisherman's Wharf, and along several yacht harbors.

Before erturning home the playground groups ate their lunches and played games at the San Francisco yacht harbor.

For An Onion Flavor

Next time you are making sandwiches, slip the knife with which you are slicing tomatoes into an onion several times while slicing each tomato. This will give a delicate onion flavor, but the onion taste will not be strong enough to be unpleasant.

Happy Birthday!

Observing another birthday this week will be 10 residents of the Daly City and Colma area. Whether they be marking their first or 99th birthday, Harry wishes them all the best of everything.

Those blowing candles out on cakes this week include:

August 5, Johnny Anderson, 56 Market street.

August 6, Rose Battalina, 113 Moltke.

August 7, Minnie Bernardi, 173 W. Moltke.

August 8, Chris A. Hanson, 407 Santa Barbara; Jeannine Mahood, 169 W. Moltke.

August 9, Richard Duncan, 187 Moltke.

August 10, Orlando Cortopani, 151 W. Moltke; Michaela Reynolds, Rt. 1, Box 259, Colma; Barbara Parodi, 32 Hillcrest drive.

August 11, Ilene D. Rice, 451 89th street.

The Show Goes On

Floyd B. Tower, president of the board of directors of the San Mateo County Fair and Flower Fiesta, pictured second from left, is showing his principal assistants the setup for the coming Fiesta, August 10 to August 20. At the extreme left is Mrs. E. G. McGinnis, Buri-Buri, general chairman of the Fiesta's amateur division; Mr. Tower, Mrs. Leonard Wood, Hillsborough, co-chairman to Mrs. McGinnis and Norvell Gillespie, general manager of the Fair and Fiesta. Gillespie said today the Fair is in fine shape for the opening day, and promises to be the best the county ever has seen.

Legion Community Award Presented To Mayor Green

Cited for his work in community improvement, Paul Green has been awarded the annual Daly City American Legion Post No. 410 "Community Award."

This is given each year for the indvidual in Daly City who has done most to promote both the welfare of the city and its citizens. Green, was commended for his tireless work, both as a private citizen and as mayor, in improving the everyday living conditions of Daly City residents.

This was the third time the award has been given. Last year it went to Joe Sarto, and the year before to Elman Rose.

The award, consisting of a large parchment, was presented to Green at a special installation meeting of the post last Wednesday night.

At the same meeting Pete Bordson was sworn in as new commander. He will succeed Ralph Capps. Other officers installed include: Walter Rector, first vice commander; G. G. Forte, second vice commander; Felix Foreman, finance; George Jester, adjutant; Edward Trier, chaplain; John Derungs, historian, and John Mayse, sergeant-at-arms.

Emil Pahlka, who has served as post service officer for the past five years, will continue in this role.

VERDICTS GIVEN IN TRAFFIC DEATHS

Verdicts on three recent highway fatalities were handed down last week by Deputy Coroner Ida May Lasswell and a jury of eight.

Gordon Spitzer, 19, 2011 Cordilleras road, Redwood City, was charged with criminal negligence. Spitzer was involved in an accident June 15 on the Bayshore highway when Brian Smith, 20, a San Jose state sophomore, was killed.

A reform school parolee, Spitzer has been charged with manslaughter.

Louis Landi, 21, Sharp Park, was arraigned before Justice John J. Fahey last week on a charge of manslaughter. This followed a finding by the jury that it was Landi's criminal negligence that caused the death of Charles Goffin, 53, Sharp Park civic leader.

Cars driven by Goffin and Landi collided head-on on the coast road June 25.

Accidental was the finding on the death of Mrs. Ray Gornik, 50, 1000 Old County road. Mrs. Gornik was killed July 10 while trying to cross El Camino Real in Belmont.

Ralph Dykle, 624 Bellevue.

Sheep in Middle East

Sheep raising is of some importance in the Middle East, in Northern Africa, and in some central Asia regions. In these countries, however, sheep are primarily a source of meat, with wool secondary and usually of coarse types.

DALY CITY BLUES TAKE S.F. CLASS A NATIONAL LEAGUE PENNANT

Schmidts Return From N.W. Three Week Trip

Tanned and rested today are Mr. and Mrs. Erwin Schmidt, 1245 Brunswick street, who this week returned from vacation.

During their three weeks of ease, the Schmidts travelled the wide circuit from California, thru Oregon, to Washington and on to Canada. Major points of interest were the stopovers at Vancouver, Grand Coulee, Shasta and Crater Lake.

In Tacoma, the Daly City couple picked up their daughter, Mrs. Vivian Hinton, who accompanied them on a good part of their trip thru the Northwest.

Mrs. Schmidt reported the weather was kind, and during the three weeks they saw little or no rain. One of the highlights of the trip was Crater Lake, where Mrs. Schhmidt and party spent two days.

To Date Building In DC Over Two Million Mark

Exceeding the total for both 1945 and 1946 combined, $2,525,590 worth of building permits were issued in Daly City during the first seven months of 1949.

These figures were released today by A. J. Bodien, superintendent of public works, in a mid-year check of building progress in the community.

Nearly three-quarters of the valuation of building permits issued this year are accounted for by 184 homes now under construction in the Henry Doelger Westlake housing project. Roughly, this organization has been issued $1,656,000 of the total building permit valuation.

Other projects making up ths year's valuation are accounted for by various smaller housing jobs and the Woodrow Wilson school addition. Figures on these jobs are not available at this time, Bodien said.

During 1945 a total of 317 permits were issued, totaling $1,012,352. The next year 217 permits went out for a total of $1,058,940.

It wasn't until 1948 that building steamed ahead in Daly City to hit a mark of $2,435,732. A good part of this was accounted for by work done on a shopping center around the present fire gutted King's Market.

Bodien asserted that about one-quarter of each year's valuation was due to smaller jobs done by individuals. This consists of everything from adding a new room to a house to putting up a fence.

Meanwhile, only one permit was issued last week. It went to Ralph and Frances Wakehouse, 164 Woodrow street. They desire to add another room to their house at a cost of $600.

When the last ball was pitched last Sunday, the Daly City Blues walked off the field season winners in the San Francisco Recreation Class A National League.

Ferrando Post went down in a tight game to the tune of 2 to 3. This was the sixth straight win for the Blues, who are now uncontested champions in the Class A League.

San Francisco recreation officials indicated there might be some playoffs between the leagues to determine the best Bay Area team.

However, regardless of the outcome of these plans, the Blues have a pennant to their name.

In the Class B League, the Colma Junior Boys' Club may come up with another trophy. Last week they trampled the Deerhead Club by four runs to come out with a score of 10 to 6.

This Sunday they will play the Wisconsin Club. This is a protested game, brought on early in the season when the Colma boys drove in a winning run in a last inning.

The Sunday game will be fought out at Jefferson High school field at noon.

Winner of this contest will walk off with the title of champion in the League. To date the Colma team has five wins.

Unless playoff games follow the Sunday schedule this is the last horsehide contest in the summer San Francisco Recreation leagues.

Out of the league, but still playing strong ball are the members of the Colma Senior Boys' Club. Last week they trampled the Junior Seals 3 to 1. This makes 11 wins for the club with only one loss.

This week the Seniors will have another game with the Harrison Athletic Club. This will be played at noon at Marchbanks playground.

COUNTY 25% OVER BOND DRIVE TOP

San Mateo county not only met its "Opportunity Drive" bond quota but went 25.6 per cent over the top.

Series E bonds totaling $1,123,495 were purchased by San Mateo county citizens. The quota set by Washington was $895,000.

John D. Bromfield, chairman of the treasury department's volunteer committee paid high tribute to members of his committee who conducted the two-month drive.

"We wish publicly to thank all those who took part in the effort. The workers and the bond buyers themselves have made a fine contribution to the future welfare of our people and our community.

S.M. County Fair Races At Tanforan

Tanforan track will be the scene of 11 races during the 1949 San Mateo county fair.

Ralph MacArthur, director of racing, said the races would get underway August 10. Slated originally for Bay Meadows, the meeting was shifted to the historic San Bruno oval last week.

Some 1,000 horses are expected to take part in the racing session. Besides the regular transient corps of runners scheduled to arrive from the Sonoma county fair next Sunday, an additional 75 from Portland Meadows will be on hand.

The purse schedule, scaled from minimums of $800 for runners and $600 for trotters and pacers, in addition to the good track, is expected to provide the 1949 meet with the highest caliber stock yet to perform.

Racing will be conducted daily, except Sunday at Tanforan through Friday, August 19.

MORE JOBS IN JUNE THAN ANY TIME IN '49

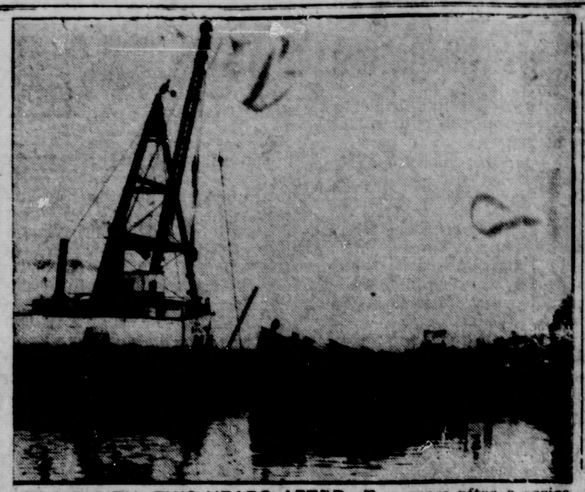
Despite talk of a slump, more Americans had jobs in June than in any previous month of 1949.

Unemployment, however, hit a seven-year high of 3,778,000. But most of this was due to schools closing their doors for the summer.

Total number of Americans employed during the bride's month was 59,619,000, the U.S. Census Bureau reported. This was a record for the year. However, this was still 1,500,000 below June, 1948.

CLAS To Hold Whist At Parish August 9

Here's another whist game. The monthly game sponsored by the Catholic Ladies Aid Society of St. Michael's Parish, 32 Broad street, will be held Tuesday, August 9. The game will start at 1:30 p.m. Mrs. Alice Curtin is chairman. Her committee consists of M. Casey, N. Chase, C. Clifford and M. Dillon.



TEXAS CITY, TWO YEARS AFTER—Two years after a series of violent explosions rocked Texas City, Tex., salvage crews are still at work with floating cranes raising the bow section of a sunken ship from the harbor bottom.

Medals Now Ready For W. W. II Vets

Now every veteran of World War II can spread a goodly amount of "fruit salad" over his chest when he dons the old uniform.

All veterans may now obtain a series of medals to which they are entitled. Every officer and man who served in World War II is entitled to at least one of many medals.

These may be obtained from the nearest Army or Air Force recruiting station with a discharge certificate.

The medals include: World War II Victory American Service Defense; American Campaign; Asiatic-Pacific Campaign and European-African-Middle Eastern Campaign.

Anticipating that the department of the army may soon withdraw all supplies of service medals in the field, veterans are urged to get their medals at onoe.

Red Cross Brings Home Sailor For Father's Funeral

Robert Ernest Thompson, U. S. Navy, is home on a 30-day leave today, but it is one leave he wishes he was not on.

The young sailor came home to the funeral of his father, William A. Thompson, 246 Los Banos avenue, who died July 20.

Thompson had been stationed in the Aleutians, and had written his family he was to be transferred, and not to write him unless he sent another address. When the elder Thompson became ill, Robert's mother contacted the local chapter of the Red Cross.

The home service department of the Red Cross immediately wired Washington, D. C. to obtain Robert's current address. Washington wired Fort Lawton, and another wire was sent to Adak Island to get Robert's address.

Within 10 minutes of the Adak wire, a Red Cross field representative told Robert of his father's condition. In another few hours the navy man was on a plane headed for home.

Even though he did not reach home in time to see his father alive, Robert and his mother said they deeply appreciated the work of the Red Cross.

"We feel gratitude in our hearts, but the only way we can express it is to simply say, 'Thank You'," Mrs. Thompson said.

Daly City To Have County Fair Day; 10-Day Fiesta Program Scheduled

Daly City will have its day at the San Mateo county fair, Wednesday, August 17.

This announcement was made recently along with the full program for the fiesta which opens at the San Mateo fair grounds Wednesday, August 10, for a ten-day run.

City official and leaders are now working on several methods of showing fair goers what Daly City has to offer. More details on "Daly City Day" will be forthcoming at a later date.

At 8 p.m. on August 10, a grand parade will precede the opening ceremonies. Three military bands, representative of bay area army, navy and marine corps installations will be on hand.

The parade will be under the sponsorship of Veterans of Foreign Wars, honoring the 50th anniversary of this organization's founding. Robert Murray, Burlingame VFW commander, will be grand marshal. The parade will form at South boulevard and Palm avenue and will proceed south on El Camino Real to the fair grounds.

There it will be reviewed by Lieutenant Governor Goodwin Knight and high-ranking military officers. A complete night program of entertainment will then get underway, featuring a performance by a troupe of aerialists.

While nothing has been left undone to provide stellar amusement features, the exhibits remain the magnet which is expected to attract record-breaking crowds. Ample time is allowed before and after stated amusement performances for visitors to view the exhibits.

Thursday, August 11, will be San Bruno - Millbrae - Lomita Park day. A fashion show at 2 p.m., and an accordion band are two of several features of the day. The night aerial show will go on at 8 o'clock.

South San Francisco day will be Friday. South San Francisco city officials will present a $250 check to "Miss Orchid" as a reward for her winning the orchid crown.

The Mutt Show at 2 p.m. will feature showing of unpedigreed dogs and awards for those with the longest and the shortest ears.

At 4 p.m. Dr. Joseph E. Howland, garden editor of House Beautiful, will address a combined meeting of members of women's garden clubs in the main pavillion.

A quartet and chorus under sponsorship of the Society for the Preservation and Encouragement of Barber Shop Singing in America, will sing at 8:15 p.m.

Saturday will be Youth Day, with contests for boys starting at 10:30 a.m. At 2 p.m. Coastside Division, Future Farmers of America, will display their stock, with awards going to the winners.

Sunday, August 14, will be Redwood City Day, with city and county officials participating in a brief program at 1:30 p.m. at the outdoor theatre. The Folk Dancing Festival will open at 2 p.m. with 75 members of leading county folk dancing groups participating.

At 3 p.m. the annual Chico - San Mateo Handicap air races start, terminating at Bay Meadows Airport, immediately adjoining the fair grounds.

San Carlos Day will be observed Monday, with city officials displaying prizes to be awarded winners of Women's Day and to winners in the floral hat contest at 2 p.m.

Tuesday, August 16, is dedicated to Woodside, Atherton and Menlo Park. At 2 p.m. on the special events stage Mrs. Charles E. Edwards, an outstanding authority on flower arrangements, will lecture on "The Right and Wrong Way to Arrange Flowers."

An hour-long variety show will be presented at 8 p.m. Selections on accordions and electric steel guitars, a Mexican specialty dance and other vaudeville numbers will be the offering of the three cities.

Daly City will present various features on Wednesday.

On Thursday the North County area will present the Brisbane Drum and Bugle Corps at 10 a.m. Results of home cake baking will be judged at 11 a.m. with prizes to be given all entries. At 2 p.m. judging will be held in the floral hat contest.

At 2 p.m. Friday the Half Moon Bay Dons will be seen in a demonstration drill. At 7 p.m. the Coastside cities will present a varied program by amateur and professional thespians.

Grand finale of the fair is Saturday, August 20, which is designated San Mateo Day and also Chinese Festival Day. San Mateo officials will participate in a brief program and will call attention to the city's development.

Chinese-American citizens have arranged a novel program. The aerialists will add additional thrills to their hour-long performance starting at 8 p.m.

Each day will find fresh blooms replacing floral exhibits at the fair, Norvell Gillespie, general manager, said.

Army Air Force Wants Navigators

Army Air Force officials today sounded a new call for volunteer navigators.

The latest types of long-range bombers and transports used on missions have increased the need for trained navigators.

To meet this need, the Air Force will expand its aviation cadet program this fall by opening an aviation cadet navigator school at Ellington Air Force base, Houston, Texas.

The new one-year program will be similar to the aviation cadet program in eligibility requirements and training methods. The first class will begin November 1 and a new class will follow every month thereafter.

To be eligible for navigator training, men must be between the ages of 20 and 26½, with at least two years of college, or the ability to pass an equivalent examination, and with high physical and moral qualifications.

GOLD PANNING, FASHION SHOW, AT STATE FAIR

Activities in connection with producing the 1949 California State Fair covered a wide range this week.

A new contest — to select the '49er world champion gold panner —was announced. The contest is open to all qualified contestants and a top prize of $500 as well as the championship will go to the winner.

Leading fashion experts met in Sacramento to select entries in the fair's fashion competition. Entries this year numbered nearly 1,000.

Potential gold medal and blue ribbon apparel chosen by the experts will be modeled by 20 beautiful girls each night during the fair.

The management announced that the service of 193 men and women will be required to pass on merits of exhibits, ranging from a purebred bull to a glass of home preserves.

Yasuo Kunioshi, internationally famous artist, has accepted an invitation to be a member of the jury for the Fair's Art Show.

As entries mount for the augmented racing program, it was announced that Pagan Star, winner of last year's Governor's Handicap and the $10,000 added purse, will be back to race throughout the meet.

A new feature has been added for the Hobby Show and Foods Exhibit building. It will be a model of the giant Lick Observatory telescope atop Mt. Hamilton. Transparencies showing the important work accomplished at the observatory also will be shown.

Fair officials announced the deadline for recipes for competition in the Centennial Cookery is August 1. Old-time recipes are eligible and the fair invites citizens to send them to California State Fair Centennial Cookery, Box 2036, Sacramento.

Entries will also close August 22 for the poultry and rabbit competition for $5,000 in cash awards.

Goethe Program Coming To G. G. Park This Month

Observing the 200th anniversary of Goethe's birth, San Francisco will hold the first of many anniversary programs August 28. The first program will be held at Golden Gate Park. Judge Herbert C. Kaufman, chairman of the observance, said further details would be released at a future date.

State Farm Labor, Work Plentiful

Seasonal farm employment was on the upswing this week, coupled with a greater supply of farm labor than available a year ago.

The California Department of Employment reports, although job opportunities are increasing, there is a greater amount of farm labor.

Skilled male orange pickers are still scarce in southern California. Such workers in search of employment should contact the Los Angeles farm labor office.

Major harvests, in addition to oranges, which are current or soon to start, include apricots and plums, pears, peaches, grapes, hops, almonds and prunes.

Current crop information is available at all local offices of the department of employment, together with information regarding the labor needs.

Seasonal offices and farm placement trailer offices have also been opened in various areas to give information to figrant workers.

ATOM BOMBER "RETIRES"—The famed B-29 "Enola Gay," from which the first atom bomb was dropped on Hiroshima, is now scheduled to take its place in the Smithsonian Institution. Above, Carl Mitman of the Institution accepts the records of the bomber from Maj.-Gen. R. O'Donnell, right, in ceremonies at the Chicago Air Fair.

Two D.C. Officers To Attend Academy

Attending the San Francisco police academy about August 15 will be two new patrolmen on the Daly City force.

They are Dave Hansen, 1209 Brunswick, appointed last February, and Lester Bastedo, 338 Willits, who donned a uniform Monday.

The men will attend the police school during the day, and work their police jobs during the evening. Purpose of the school is to instruct the officers in the latest findings on police detection.

The men will also receive technical training in such practical subjects as the use of a pistol. Courses run for one month.

BRAKE EFFICIENCY

Ability to stop the car in any emergency depends upon brakes that act quickly and efficiently. To keep brakes fully efficient, says the California State Automobile Association, it is essential that they be inspected at regular intervals and repaired or adjusted as required.

NSLI DIVIDENDS SOON TO BE PAID

Money will be coming your way some time this year if you are a veteran and ever held National Service Life Insurance.

Applications on which veterans may file for their share of the nearly three billion-dollar insurance dividend will be available after September 1. They will be at the San Mateo county Veterans Service office, courthouse, Redwood City.

All applicants are urged to come to the office supplied with their insurance policy number or numbers. Many veterans have lost track of this important information, and it recommended that those who do not have it in their possession at the present time, make a diligent search of their papers to avoid dividend payment delays.

The cut-off date for payment of the dividend is the anniversary date of the policy during 1948. The special dividend will not be paid on policies issued after January 1, 1949.

Length of time the insurance was in force, amount of the premium and type of conversion all will have a bearing on the payment.

Any veteran who once held or still holds a National Service Life Insurance policy and who paid three or more monthly payments is eligible for the dividend.

Amounts individual veterans will receive are not yet known. This can not be determined until individual calculations have been completed.

USF Awards Bids For New Library

Contracts amounting to $198,105 were awarded recently by the University of San Francisco for construction of its Gleeson Memorial Library.

A $107,288 contract for the heating and ventilating installation work was awarded to the James A. Nelson Co., San Francisco.

The Ets-Hokin and Galvin Co., San Francisco, received the electrical contract for $68,889.

Scott Co., San Francisco, was awarded the plumbing installation contract for $21,928.

Being erected at a cost of $1,300,000, the Gleeson library is the first step in the University's $15,000,000 building program. The library will be completed by the fall of 1950.

Excavation work is now under way.

CONVERTIBLE TOP

Do not fold a convertible top down when it is wet or even damp, cautions the California State Automobile Association. It is also advisable to raise the top every few days to keep the mechanism in working order and to prevent damage from chafing.

In 1939 the United States had 11,470,177 tons of merchant shipping.

San Francisco is only seven miles across and 42 square miles in area.

Mission San Francisco Solano de Sonoma, at Sonoma, was established in 1823.

COUNTY PLANS WAR MEMORIAL BUILDING

With Daly City talking of a Memorial building, San Mateo county may soon build a $500,000 one of its own.

Construction of the county structure, as a part of the San Mateo county fair, is being planned by a veterans committee.

The committee already has completed its organization, and is now considering types of construction. Some of the features of the structure will include: a modern little theater, rooms for concerts and entertainment of all kinds, and meeting rooms for veterans and other civic groups. There will be complete equipment for parties, dances and banquets, with space for exhibits and shows.

Representatives of the committee believe the building can be operated as a complete county community center. At present the program is under the direction of the committee.

It is hoped the building will go up with the partial aid of state funds through the county fair program. Members of the committee believe the structure will get under way following the close of the fair, August 20.

All veterans and community groups will be invited to have a part in the program, just as soon as details are completed, a representative of the group said.

Calfornia's new construction in 1948 was $2,450,000,000, nearly 14 per cent of the national total.

A total of 69,949,000 chicks were hatched by commercial hatcheries in California during 1948.

The invasion by United States forces of French North Africa commenced November 8, 1942.

CIVIL SERVICE POSITIONS OPEN

Various positions with the federal government in the Washington, D. C., area are now open, the U.S. Civil Service commission announced this week.

The jobs are: industrial specialist, contractor negotiator, vocational rehabilitation adviser and adviser specialist positions; air force procurement inspector positions.

Salaries for industiral specialist range from $3,351 to $6,235 a year. Contract negotiators draw from $3,727 to $6,135 a year.

No written test will be given applicants for these two jobs. Appropriate experience and college study are the requirements for these positions.

Vocational rehabilitation adviser and adviser specialist positions pay from $4,479 to $10,305 a year. Applicants must have had appropriate college study or technical experience. In addition, they must have had professional experience.

Salaries for air force procurement inspectors run from $3,727 to $4,479 a year. Applicants must pass a written test and must have had experience or a combination of experience and education pertinent to fields for which they apply.

Applications will be accepted for industrial specialist and contract negotiator until August 16, and for vocational rehabilitation adviser and adviser-specialist until September 6

Applications for air force procurement inspector jobs should be sent to the executive secretary, board of U.S. civil service, Wright-Patterson Air Force Base, Dayton, Ohio. They must be on file not late rthan August 16.

Further information on any of these positions may be obtained at the Daly City post office.

California produced 685,200 fine ounces of silver in 1948.

Tokyo was first bombed by United States aircraft on April 18, 1942.

Historical State Caravan Due S.M. County This Week

It will take two years for the Historical Caravan of the California Centennials Commission to cover the itinerary outlined for its statewide tour.

But this week citizens of San Mateo county may see the caravan without waiting more than a few minutes.

The caravan will be in Millbrae August 5-6; in Burlingame, August 7-8, and in San Mateo August 9-11.

A primary objective of the commission is to give opportunity to people in every section of the state to view at first hand a collection of historical treasures.

Never before have so many treasured momentos of California's heritage been assembled in a mobile exhibit. Because the many valuable documents and objects will be returned to their respective custodians when the tour is completed, emphasis is being placed on giving the widest possible coverage in the caravan's itinerary.

Among the original items that highlight the exhibit sections are the diary in which Don Gaspar de Portola chronicled his famous expedition of 1769 from San Diego to San Francisco.

Other items include: the personal bible of Father Junipero Serra; the doll that survived the Donner Party tragedy; the first newspaper published in California, Mark Twain's first published volume, and the gold spike that linked the continent at the completion of the Central Pacific Railroad.

There will be no admission charge of any kind to see the exhibit, the commission said.

Prominent County Architect Dies At Home Thursday

William H. Toepke, architect for Daly City's city hall and many other San Mateo county projects, died of coronary thrombosis Thursday night, July 28.

The 79-year-old architect died at his home, 230 Chesterton place, San Mateo. He had been a practicing architect for the past 60 years.

He designed the Redwood City county jail in 1913; the Community hospital in the early 1920's; the county relief home in 1928, and the Daly City city hall in 1937.

The architect's last finished job was a five-room addition to the Baywood school.

Born in San Francisco, Toepke received his training there and in Germany. He was an honorary life member of the San Mateo lodge of Elks.

He is survived by his widow, Mrs. Toepke; a son, William, 206 Chesterton place, and a sister, Mrs. Marie Toepke Point of San Francisco.

Funeral services were conducted Saturday morning at the Sneider and Sullivan chapel. His remains were cremated and inurned at Cypress Lawn cemetery.

The lode gold production of Amador county has been second in California only to that of Nevada county.

The Dutch brought cattle from Holland to New Amsterdam and grazed them for slaughtering purposes.

Tehama county was organized in 1856 from territory formerly part of Colusa, Butte and Shasta counties.

TIRE SAFETY

Hot weather is a boon to summer vacationists, but it's hard on automobile tires. Before you start your vacation trip you should thoroughly check the condition and inflation of your tires, advises the California State Automobile Association. A defective tire can cause a blowout, with disastrous results.

Wrestling is one of the most primitive and universal of sports, according to the Encyclopedia Britannica.

K-F Vagabond Hauls 'Playloads' As Well As Payloads

DESIGNED FOR BOTH "play" and payloads, the Kaiser Vagabond is being introduced as the eighth K-F model for 1949. The 112-h.p. automobile combines station wagon utility with styling features available only in luxurious sedans of conventional design. Upholstery is of washable vinyl plastic. With rear seat cushions folded, 130 cubic feet of cargo space is accessible through the two hinged rear panels. With panels closed and seat up, the Kaiser Vagabond becomes a deluxe 6-passenger sedan.

The estimated population of China in 1948 was more than 463 million.

The word "whiskey" comes from a Celtic word meaning water of life.

The north side of a tree, besides having the most moss, has the thickest bark.

Red Cross Helps Sick Soldiers

Currently major projects of the San Mateo Red Cross are the progr.ms for convalescent servicemen.

Outdoor recreational therapy has been established as one of the most successful features of Red Cross Veteran rehabilitation benefits. Competition is always keen among volunteers to devise new ways by which patients may join in the out-of-door health-building pursuits.

Organized motor trips, chair rides, walks, outdoor canasta and other game sessions are listed as being most popular diversions.

The "Design for Summer" plan is arranged by Gray Lady Corps members to supplement the fixed schedule of regular Red Cross activities.

These activities consist of Monday parties which include visiting, letter writing, shopping excursions, music, distribution of reading materials, card and bingo games.

Monterey Judges Look For Curves

Numerous beauteous damsels today are competing for the honor of being "Miss '49er" during the Monterey centennial celebration.

The "Reina de Monterey" will rule over this historic old town from August 29 through September 5. Just who this regal and significant personage will be is an unknown factor at this time.

The contest has attracted entries from throughout the Monterey peninsula, from nearby coastal cities and towns and from various sectors of the Salinas valley. Sponsors of the various candidates are campaigning for their particular favorites.

"Reina de Monterey" will be crowned with her new authority at an inaugural dinner in Monterey on the evening of Saturday, August 27.

The winner of the "Miss '49er" contest will receive a cash prize, a wardrobe, and will appear on the "Queen for a Day" program in Hollywood.

SAFETY IN COURTESY

Courtesy on the highway goes much deeper than outward display of good manners; it is the foundation of highway safety, says the California State Automobile Association. General observance of good driving manners would go far toward reducing the number of highway accidents each year.

Colored Oleo Goes On Market October 1

There will be no need to color oleomargarine in California after October 1.

At that time the product will come on the market, yellow, instead of the present white.

O. A. Ghiggoile, chief of the state dairy service, said six of the eight companies licensed to manufacture oleo in this state have applied for and received approved labels for the colored product.

In addition, he said, several out-of-state groups have asked the bureau for regulations on the new California law.

RENT CONTROLS OFF ON TRAILERS

Rent controls on all trailers and trailer spaces in California have been lifted.

Ward Cox, western regional housing expediter, said the action was ordered on his recommendation by Tighe Woods, national housing expediter.

The recommendation followed a survey which showed that the demand for this type of housing accommodation has been reasonably met in California, Cox said.

Cox explained that the federal law requires the Housing Expediter to end rent control whenever and werever the need for them appears to have passed.

"We shall continue to watch the trailer housing situation carefully and if rents for trailer and trailer spaces begin to climb unreasonably, we stand ready to put control back," Cox said.

The vacancy factor for trailer and trailer spaces reported or the San Francisco area is 31 per cent.
